PARENT LOCK-IN — After a 15-hour lock-in by angry Romulus School District parents, the teachers and school board agreed upon a contract which settled the teacher-strike. Area students were in school yesterday for their first day of classes. — Romulus Roman photo.

Parent 'lock-in' results in opening of schools

By CAROL THOMAS
Roman Staff Writer

It took a 15-hour lock-in by angry parents, but students in Romulus schools gleefully boarded their school buses yesterday for their first day back.

As a necessary technicality the board of education ratified the contract Monday that their negotiators had agreed upon in a marathon bargaining session Thursday and Friday.

Although the contract has not been written down on paper, the board agreed to ratify it on "good faith" as the teachers had when they voted Saturday by an 8 - 1 margin to return to work.

TEACHERS began "withholding their services" on Sept. 4, and negotiations seemed deadlocked over salary and wage levels until a group of 100 or more parents descended on the administration building at 10:30 a.m. Thursday and didn't allow the negotiators to leave until they came out with an agreement at 1:40 a.m. Friday.

The three-week old strike ended Tuesday as teachers and pupils met in the classroom for the first time this year.

Teachers gained a 5.5 per cent increase in wages this year plus another 5.3 per cent increase next year. They had originally asked for 11 per cent.

The new wage contract also provides for improved hospitalization and insurance policies for Romulus Education Association members, which will begin this year in the first part of the two-year contract.

THE FORCED locked-in by parents had accomplished the imprisonment marathon bargaining that teacher negotiators had been demanding but board negotiators had refused throughout the talks.

The parent leaders said they were not involved with either side, but only wanted to get their children in school.

LOOKING CAREFULLY — Customers at new car showings look over every inch of the new models before making their decision to buy that one or go someplace else. These two customers are appraising the interior of a sparkling new car as it sits in the showroom on "opening day" for new cars yesterday at all area car dealerships that sell American cars. — Romulus Roman photo.

Ed board authorizes security guard hiring

By CAROL THOMAS
Roman Staff Writer

Outdoor security guards in policeman-type uniforms and indoor hall monitors with burgundy blazers soon will be taking charge of security at Romulus High School.

The board of education voted Monday to authorize the hiring of three outdoor security guards for night-time work and six hall monitors to work inside during school hours. The board also authorized the purchase of uniforms.

Security became a problem at the high school several years ago, according to Romulus High School Principal Joel E. Carr. Hall monitors were hired and security guards from private agencies brought in to police the school grounds at night.

"WE HAVE BEEN less than elated with the performance of the security guards, so we wanted to hire our own people," Carr said.

Two security guards will patrol the ground each night, in addition to several daytime outdoor guards Assistant Principal William MacDonald said. MacDonald is in charge of security at the high school.

The uniforms worn by outside guards will consist of navy blue pants, blue shirts, navy police-type jackets, hats and ties, he added.

"We want them to look as much like policemen as they possibly can," he explained.

THEIR DUTIES will be to protect the outside property at the school and also work with Wayne County Sheriff's Department officers and teachers assigned to crowd control at athletic events.

They also will police the students outside the building during the day.

The indoor hall monitors check passes during class hours, fill out misconduct forms on students, drive ill and suspended students home, supervise bus loading and pick up attendance records.

The board agreed Monday to hire the guards as temporary employes at $3.25 per hour until a wage agreement could be worked out with them that would fit in with the salary schedule given other employes in the system.

THE NEW SALARY schedule tentatively will be presented at the next board meeting, MacDonald said.

Carr said he hoped the addition of the new security guards would help keep security tight at the high school.

Two security guards and six hall monitors worked in the school last year, the only change in Carr's proposal is that the security guards do not come from a guard agency but are hired by the board.

Drivers speed in area

While most residents who used to fight the dust and mud of dirt roads appreciate Romulus' newly paved streets, others are enjoying them as a newly-found race course.

"Right after the roads were paved, we got complaints about speeders," Mayor Hyle J. Carmichael said.

"It seems as though they didn't even allow the asphalt to settle before they started racing down the roads."

The mayor said he called the Wayne County Sheriff's Department to patrol the nearly 12 miles of newly-paved road in the city.

A SPOKESMAN for the department said: "We can't divulge where our cars will be during the day, but let's say that the radar car has been very busy on the new roads in Romulus."

He wouldn't say how many motorists were ticketed for speeding buy added: "They know we're there, and already we see people showing down."

The mayor said the complaints about speeders come from many of the same people who griped about dusty roads.

"I can't blame them," he added. "Before, the dirt roads caused comfort problems, but now, with the speeders on paved roads, they're safety problems.

CARMICHAEL said there has even been some complaint about the sheriff patrols.

"It's a funny thing," he said, "But among the first people patrols catch are those who are hollering the loudest about speeding.

"I guess everyone has to learn new habits."

Silence is 'salesmanship...'

This time around, the cars are doing all the talking

By CAROL THOMAS
Roman Staff Writer

For a look into a showroom of beauty and style, turn to Page B-5 and catch the new car fever...

A new car salesman has to be a combination finance manager, amateur psychologist, auto mechanic and sex symbol — but at new car showings he just has to keep his mouth shut.

Any other time of the year if a customer wandered into a showroom with that "new car" gleam in his eye, he'd be besieged by a dozen knit-suited salesmen.

Last night, a buying customer could have stood in the middle of a showroom crowd and waved a check for five minutes before he was approached, according to Joe, a new-car salesman in Western Wayne County.

JOE ISN'T a real person. He is a composite salesman made out of interviews with 20 or more new car salesmen working in Wayne, Garden City, Westland, Plymouth and Livonia. Each salesman was asked to discuss the "new car" time of year and how it affects both customers and salesmen.

It's completely different now that the new cars are out," Joe explained. "People treat a car showroom as if it were a fair or museum display and they come here to browse."

"We're happy that they do, too," he added.

If a salesman pushes at this critical point in the deal, the customer will undoubtedly go to another dealer.

"SO YOU WALK up to cars from us last year and never bought either of them," he said, shaking his head. "It's a good thing he has sensible taste in cars because we've never had any trouble selling them.

"We'll order this one for him if he comes in — but I'll bet lunch he doesn't buy it — I don't know what he drives, probably an old clunker and he gets a kick out of ordering these expensive beauties."

The fuel shortage this year is a good push — and a bad shove for car salesmen. Economy cars sell themselves right off the showroom floors without so much as a salesmanly nudge.

"BUT YOU should see what kind of talking it takes to sell a big luxury car that you know the guy can afford anyway."

Considering the real or imagined scarcity of gas, the salesman's biggest job is to try to reassure

(Continued on Page 3)

Registration soars in city

Voter registration for the Nov. 6 general election is soaring, according to Romulus City Clerk Leonard Folmar.

Romulus has recorded 350 new registrations since the Aug. 7 primary election, according to Folmar, boosting the city's total to nearly 11,000 voters.

"We're well pleased with the citizens' concern for their city and their desire to register to vote," Folmar said. "We expect a good turn-out for the election."

FOLMAR SAID the city offices will be open from 9 a.m. to 5 p.m. weekdays for any persons desiring registration cards.

He also is planning special hours for voter registration Sept. 30 and Oct. 5.

The city hall will be open from 8 a.m. to 5 p.m., Sept. to help those who wish to register, and offices will be open from 8 a.m. to 8 p.m., Oct. 5.

Part of the reason more voters are registering for the city's general election is the help the clerk's office is receiving from political candidates.

"BOTH CANDIDATE tickets are busy registering voters," Folmar said. "Their drives, combined with increased citizen concern, will help make Romulus' Nov. 6 general election possibly the most democratic election in terms of voter turn-out in the city's history."

Folmar said that he expects quite a heavy turn-out of the city's 10,850 voters in the general election, following a record 30 per cent turn-out during the Aug. 7 primary.

Romulus 30 per cent turn-out doubled the participation of any neighboring city during the Aug. 7 primary.

On the inside

A Romulus woman in her first competition has reached the U.S. National Horse Show finals--and her entry in the national competition is a real winner. See story on Page B-7.

Will capital punishment deter crime, a Warren councilwoman thinks so--and so does the State Assembly of California. See story on Page A-4.

DPW head criticizes audit probe

Mayor investigates purchasing practice

Outgoing Romulus Director of the Department of Public Works, William Pritula says Mayor Hyle J. Carmichael is making him "the fall guy" in some questionable purchasing practices cited in the recent audit of the city's 1970-71 fiscal year.

"I think it is a lowly act on the part of Carmichael to try to make me the fall guy, in order to throw the shadow of guilt away from him, because he is running for mayor in this election," Pritula wrote in a prepared statement.

The DPW director, who said he's resign Sept. 28, following an argument over election practices with Carmichael, wrote the statement in response to a newspaper article attributed to the mayor which said the mayor was "investigating" Pritula's purchasing practices during the time he was DPW head.

"HE THINKS I'm trying to imply that he did something wrong," Carmichael said. "But that can't be farther from the truth.

"I think it behooves the city to listen to its auditors, and to check out accusations made against the administration.

"We aren't trying to find any 'wrongs' but are trying to correct what could have been a bad policy."

Pritula contends that any "bad policy" he had during his year's as DPW director came at the recommendation of Carmichael.

"IF I'M GUILTY, he's guilty of violating the charter," Pritula said Monday. "I have a letter which shows the mayor authorized me to make purchases above the bidding limit, 'to get the job done' even though we both knew it was in violation of the city charter.

"I did nothing on my own, or illegally, but had it sanctioned, and recommended, by the mayor.

"He asked me to resign because my wife, Catherine, and my daughters, Sandy, Christine and Elsie, were passing out campaign literature for candidates not on the mayor's slate."

Pritula said he has a letter

(Continued on Page 3)

Mayor doesn't expect to fill building post

Romulus Mayor Hyle J. Carmichael doesn't hold much hope for finding a new building department director before the Nov. 6 general election.

"I don't expect anyone to take the job on the assurance he'd have it only two months," Carmichael said yesterday. "That's all I can really assure anyone taking the job today."

Carmichael, along with his entire administrative team, will face re-election Nov. 6.

"EVERYTHING'S UP in the air until then," he added.

Carmichael was forced to seek a new building department head when Clayton W. Meldrum, who held the post since Romulus was incorporated in 1970, resigned in a tiff over political differences.

Meldrum's wife claims her husband was pressured into resigning because she campaigned for Carmichael's opponent in the upcoming election, Terry L. Troutt.

Carmichael claims Meldrum resigned after obtaining a job with the Romulus School District.

DESPITE THE approach of the general election, Carmichael still is looking for a director for the department.

"We're searching around, and advertising in the specialized magazines," Carmichael said.

"We need a man with much expertise in the field, so we must look everywhere."

But the mayor believes he has another factor working against him.

(Continued on Page 3)

For Parkway customers

Telephone company hikes bill

Because of growth in the number of telephones, Michigan Bell has asked the Michigan Public Service Commission (MPSC) to reclassify the Wayne exchange to the next higher rate group.

The Wayne "Parkway exchange" includes all of Wayne, most of Westland, and parts of Inkster, Romulus and Canton and Van Buren townships.

Local Bell Manager Hazen J. Wilson said reclassification would mean, for example, monthly increases of 55-cents for residence customers with one-party flat rate service and 25-cents for two-party flat rate customers.

The change would not affect residential customers with measured or metro service or business customers. The company is notifying affected customers of the request by letter.

Wilson explained that the number of main telephones (main stations) in the local calling area has grown and has been over the top of the present rate group classification for the past two years.

'The MPSC, in a 1970 order, specified that when the number of phones in the local calling area of an exchange moves above or below the rate group limits for a period of 24 consecutive months, the exchange should be reclassified and placed in the proper rate group.

The number of main telephones in an exchange determines the rate group classification because, he said: "As the number of telephones increases, so do the opportunities for local calling.

"As a result, the average calling rate goes up, and customers with flat rate services are provided more service for their basic monthly charges."

NEW POLICE OFFICERS — Van Buren Township Trustees recently approved the appointments of four new police officers. The new members of the township's police force are (from left) Ernest Ellsworth, 36, a township resident; Paul Bouhana, 27, also a township resident; Philip Ives, 24 of Belleville; and Paul Martilla, 40, of Van Buren Township. Their appointments brings the township's part-time police force to 19 members including the police chief.

Van Buren Township police force has four new part-time patrolmen

Van Buren Township's police force has four new members.

The new police officers, whose appointments to the township's part-time police force recently were approved by the township trustees, are:

—Ptlr. Ernest Ellsworth, 36, married and the father of two children. He is a graduate of Wayne High School (now Wayne Memorial High) and a graduate of Bible Patist Seminary in Arlington. Tex.

He served with the U.S. Navy and is employed by the Ford Motor Co. as a weight analyst. He resides in the township.

—Ptlr. Paul Bouhana, 27, married and the father of two children. He is a graduate of Lakeview High School in St. Clair Shores. He served with the U.S. Army and presently is employed with Ford Motor Company in Dearborn as a data analyst. He lives in the township.

—Ptlr. Philip Ives, 24, who resides in Belleville is a graduate of Belleville High School. He is self-employed. He owns and operates a pet shop in Belleville.

—Ptlr. Paul Martilla, 40, married and the father of three children. He is retired from the U.S. Air Force and employed as an insurance claims investigator. He resides in the township.

Township to study zone amendments

Two proposed amendments to the Van Buren Township Zoning Ordinance aired at two separate public hearings before the township planning commission were taken under study by the commission.

Chester Grzesik of 41358 Ecorse Rd., Belleville filed a petition to rezone three lots located on Ecorse Road near the corner of Haggerty Road from single-family to commercial.

Grzesik told the commission that the three lots were zoned commercial before, but in 1965 they were rezoned residential. He has no present plans for building on the property, he added.

There were no objections made to his rezoning request.

The second public hearing involved a similar change in zoning for two other lots that also are located in the same area.

There were no objections filed.

Counseling service gets August calls

Belleville's new crisis-counseling service received 65 calls during the month of August, the counseling service's first month of operation.

The calls pertained to family conflicts, drug abuse and personal problems, a service representative said.

The Number (699-2039) welcomes contributions. Persons can send contributions to P.O. Box 9, Belleville.

Both the City of Belleville and Van Buren Township recently approved contributions of $300 each toward the operation of the service.

WRC plans linen bingo

The John M. Wahl Corp. No. 87 of the Woman's Relief Corps (WRC) of Belleville is sponsoring a linen bingo starting at 2 p.m. Sunday.

It will be held at the VFW Hall, Huron River Drive and Hannan Road, Romulus. The WRC is patriotic, non-profit organization.

The proceeds of the linen bingo will be used to purchase flags and Christmas gifts for the Veterans Hospital in Ann Arbor. Refreshments will be available.

AN OPEN LETTER TO THE COUNCIL OF THE CITY OF BELLEVILLE

The Township of Van Buren respectfully requests permission to continue a 30" sewer out Sumpter Road into the township. This extension is necessary to provide an outlet for a sewer system for the southwest corner of the township; that is, 4500 people.

The sewer in Belleville is part of the County's downriver sewer system. It cost $14,070,000 of which Belleville's share was $217,300 and Van Buren's share was $403,950. The original phase of construction stopped within the city limits but the sewer is 7 times as large as is required by the city at present and 3 times as big as was purchased by the city for the future. Now, the township wants to make use of the portion it paid for. But it is necessary to continue the sewer through the city or tie into it east of the city and build around the city. The latter procedure would mean abandonment of a good portion of the township's investment and replacing it with new construction. This would move back the time when township residents would have sewer service.

On August 20, 1973, the Council of the City of Belleville refused permission for Van Buren Township to continue its sewer through the city. This refusal was based on a letter from the city engineer making this recommendation based on several points.

In Court on September 19th, the city engineer agreed that the project was feasible if certain problems were solved. The city attorney indicated that if the engineers for the city and the township got together, something could probably be worked out. The township engineer has, therefore, resolved the problems indicated, point by point, and changed the township design accordingly. He has done this work in conjunction with the city engineer.

In recent years, a spirit of cooperation between the people of Belleville and the people of Van Buren has been obvious. It is evidenced by such things as the recreation programs, the planned use of the park and lake, the cooperation between police and fire departments and the help of the township dog warden. In two cases, the township voluntarily agreed to annexations to the city when it helped the property owners and the city without apparent harm to the township. It seems inconceivable that the township should be compelled to abandon a sewer built in cooperation with the city; that the township should pay again for the sewer needed while delaying the service to its citizens for at least a year.

The township began this project by working with the county D.P.W. and was assured by them that this was all that was needed since the work was entirely in the county right-of-way. This was an honest mistake, for which we apologize. The township people, however, should not be so severely hurt by such a mistake. Since any action that will further delay this project will be as serious as a denial, the township asks that a definite approval be given at the October First meeting of the City Council so that the present bids can be used.

Romulus Help Center plans 1st volunteer orientation

By JIM CARRAVALLAH
Roman Staff Writer

The first volunteer orientation meeting for the Romulus Help Center's Crisis Intervention Program has been set for 7:30 p.m. Monday, at the center on Goddard Road east of Wayne Road.

Residents of Romulus interested in working at the center with its newly designed drug rehabilitation and crisis counseling program are invited to attend.

'We'll be discussing the general nature of crisis counseling...and the availability of help for those in crisis situations.'

"We'll be orientating those interested in the program at the first meeting," said Leonard Melnick, Help Center director. "During the course of instruction, we'll be discussing the general nature of crisis counseling, pharmecology, listening skills and the availablity of help for those in crisis situations."

HE SAID the first instruction course should last four to six weeks, with classes meeting for three hours one day each week.

"This is more or less the ground level for entering the Help Center program," Melnick added. "We'd like to have a good turn out of volunteers at this first meeting, because it will demonstrate a community interest in the program.

"I've found that once a person gets interested in crisis counseling, he becomes more interested in the program, and gets involved in various other aspects of it."

Information on the training course can be obtained by calling Melnick at the Help Center. The number is 941-7980.

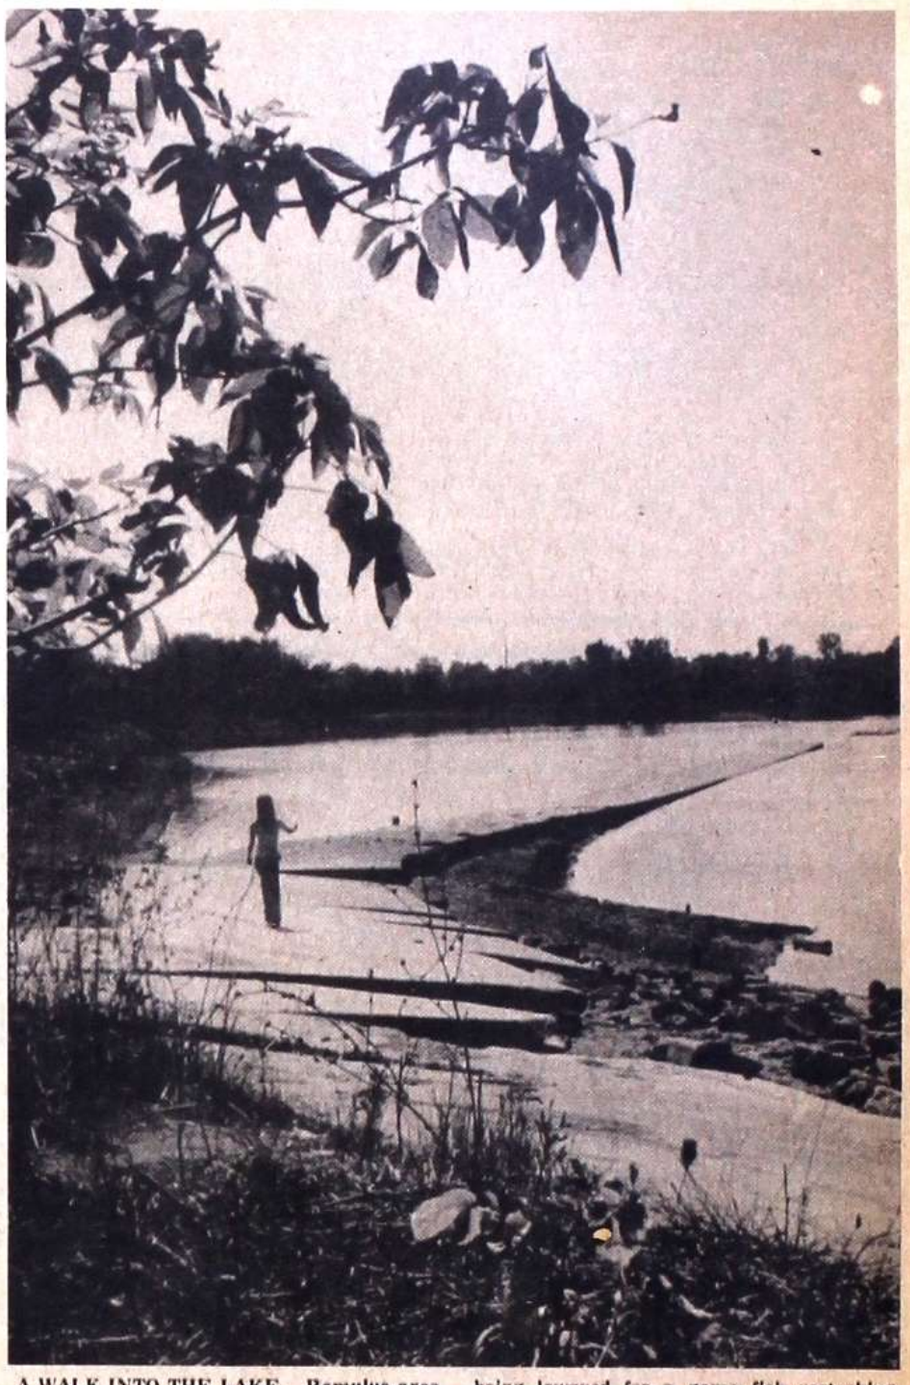
"WE'RE HOPEFUL that once we get this first training program out of the way, we can offer crisis intervention on a part-time basis at night," he said. "Right now, we offer counseling from 9 a.m. and 5 p.m., weekdays, and a few hours on Sundays.

"With enough volunteers, we can open late-night hours, possibly from 5 p.m. to 11 p.m. weekdays."

Volunteers trained in crisis counseling will not engage in detailed psychiatric counseling, but will be trained to channel the person with a problem to the agency which best can solve the problem.

"If it's drug related, there's a good possibility the counselor can set up an appointment for the person with me during the day," Melnick said. "If it's a problem pregnancy, we'll have a list of health agencies available.

"For the most part, the crisis counselors will operate as 'intake' people for the professional staff".



A WALK INTO THE LAKE —Romulus area fishermen were startled this week to see a concrete highway resting on the bottom of the now lowered Belleville Lake. Some thought, "Hey. Maybe they discovered another lost Atlantis," but were quickly reminded the highway is old Belleville Road. The lake is being lowered for a game fish restocking project, but the recreation bonanza was interrupted Sunday when soft shoulder leading to the bridge span began to erode and crack the roadway. — Roman photo by Chief Photographer Lothar Konietzko.

Of purchasing practice

DPW director criticizes probe

(Continued from Page 1)

signed by Carmichael and Romulus City Clerk Leonard Folmar which "tells me to make purchases without approval of the council and without public bidding."

"OTHER DEPARTMENTS were doing the same thing on the mayor's orders," he added.

Carmichael refused to respond to the charge.

"We're looking for letters now," he said. "But I don't have anything to say to his charge.

"I don't see why he's so upset.

PRITULA ADMITTED that he bore no public animosity toward Carmichael after his resignation "in spite of the fact he forced me to resign because of my wife and kids."

"I promised the mayor I would not divulge the conversation (with the mayor) to the newspapers, or the reason for my resignation, because I didn't want to hurt the mayor's campaign in any way," Pritula added. "I kept my agreement, and kept silent on my reason for my resignation, until now.

"The reason for breaking my silence is because the mayor broke the agreement in what he said in a (newspaper) story on Sept. 18, in which he implicated that I was under investigation for irregularities in the DPW."

Pritula said he was under consideration for one job, "and they said they'd wait until I straightened this thing out."

"I'M 51-YEARS-OLD, and I can't retire now, so I have to find a job," he added.

"If he's going to conduct an investigation, he better pull out the letters that instructed me to buy things without public biddings."

Pritula has been director of Romulus DPW since 1967.

He has held supervisory positions, including the position as plant manager for one Chrysler manufacturing plant, since 1948.

Goings on

Meeting

The Huron Township Board of Trustees will meet at 8 o'clock tonight at the township hall, 37290 Huron River Dr., New Boston.

Deaths

William J. Arquette, 84, of Romulus, formerly of Belleville; died Sept. 19; Roberts Brothers Funeral Home, Belleville.

Ray Pokerwinski, 69, of Belleville, died Sept. 18; Roberts Brothers Funeral Home, Belleville.

Mrs. Matilda Martin, 79, of Belleville, died Sept. 19; Roberts Brothers Funeral Home, Belleville.

Mrs. Francis Eden Travis, 84, of Willis; died Sept. 21; Roberts Brothers Funeral Home, Belleville.

Mrs. Kate Traskos, 86, of Belleville; died Sept. 22; Roberts Brothers Funeral Home, Belleville.

Harry Williams, 84, of Belleville; died Sept. 24, Roberts Brothers Funeral Home, Belleville.

Post remains vacant

(Continued from Page 1)

"If you take away the timing, we'd still have a hard time filling the position, because of the low salary," Carmichael said. "In some cities, inspectors make more than our director, but this is the salary we're saddled with, so we're on the wrong foot right off the bat."

THE MAYOR blames the city council for the low salary.

"They set the budget, but we've been through this complaint before, so there's no sense arguing about it now," he said.

"Someday, maybe someone will realize that to get expertise, one must pay at the rate experts demand."

In the meantime, the building department is functioning without flaw, according to the mayor.

"We had some rough times at first," he said. "But I've taken over the duties of the director, with Chuck Hellman, the city engineer helping me with the technical aspect of the job.

"IT SEEMS to work out, and the inspectors and the staff appear to be pitching in, so we're not really having any problems."

Carmichael set no deadline for hiring a new director.

Fellowship paper drive

The Methodist Youth Fellowship of the First United Methodist Church in Belleville will conduct a paper drive Saturday.

For pick-up of old newspapers, call 699-2215 or bring them to the church bundled and tied.

This time around, the cars are doing all the talking

(Continued from Page 1)

the customer that the larger car really won't use more gas than something small.

"If some middleaged man comes in driving a huge luxury car and demands to see our tiniest economy car because 'he's sick of paying for gas' you know he's going to spend the rest of the year cussing out the little showbox he finally ends up with," Joe explained.

"You have to talk him into a mid-sized car with a smaller engine and a plushy interior and he'll be happy with you," he added.

BUT THE customer who walks into a super-luxury car showroom at this time of year is treated with the same non-pressuring smile. The salesman lingers around, wearing expensive suits — but yet looking friendly and folksy at the same time.

First the customers walk in, they touch the them, smile, introduce yourself — then start quoting prices and answering questions," Joe said with a weary smile. "Then within a month, you hope that customer will make the rounds of all the Detroit area dealers and find your deal the best."

This time of year is the most frustrating too for salesmen and dealers like. Customers rush into a dealership, sit down with an order form and send for a neon pink souped-up muscle car with lavender racing stripes and a green interior and an am-fm stereo.

WHEN YOU'VE GOT GOOD TIRES — The old-time universal gesture of a car shopper, kicking a tire isn't dead yet. If a spectator stands in a car showroom for even five minutes, several customers will stop, look around guiltily, and kick the tire, as this man did. — Romulus Roman photo.

"Then the buyer goes down the street and buys a sensible economy car he can afford and we have to figure but how to sell that horrible thing," Joe said.

How the customer will be handled by the salesman depends greatly on what kind of auto the customer has parked out front.

"I'm not saying we treat anybody badly — everybody is a king here — but if the customer drove up in a little economy car with a young wife and three small kids, we just let them look,"

Two Belleville bridges closed because of damage by erosion

A $1.5 million project to transform Belleville Lake from a "trash fish pool" to a game fish bonanza for recreational progress was scrapped late yesterday to save two "crumbling" bridges...and avert a gas line eruption.

The dilemma surfaced Sunday when workmen detected erosion damage to the soft shoulders of the Belleville and Denton road bridges — which span across Belleville Lake.

Earlier, officials of the Department of Natural Resources (DNR) said a final decision on whether to continue the lake reclamation project would come "in about 10 days."

BUT LATE YESTERDAY, DNR Director A. Gene Gazlay said the decision to "scrap" the project was made because of the fear that more damage would be caused to the Belleville and Denton road bridges.

"We reached our final decision after conferring with state engineers at the scene," the state director told The Enterprise-Roman.

Furthermore, he added, continuing to drain water from the lake would heighten the chances of rupturing an eight inch high pressure gas line which serves Belleville.

"OUR FIRST concern must be for the public's safety — and that means we'll have to curtail the recreational project at Belleville Lake," he added.

Gazlay said his department would attempt to explain the state's decision to stop the project at a public meeting scheduled for 8 p.m. Friday at the Belleville High School audtiroium.

Belleville Mayor Royce E. Smith earlier rapped the DNR's method of operation; and in particular, for not having inspected the two bridge-road structures before initiating the drainage project.

The DNR lake draining project, financed by the state, began Sept. 17. It came to an end Sunday when the shoulder of the two roads leading into the bridges cracked one to three feet away

Warren councilwoman says it will

Capital punishment...will it deter crime?

By MITCH KEHETIAN, Editor

Does the state have the right to take the life of an individual for having committed a crime against humanity?

The California legislature apparently thinks so...and so does Lillian Klimecki Dannis, a member of the Warren, Mich., city council.

California Gov. Ronald Reagan, long an advocate of capital punishment as a deterrent to crime, is expected to sign a measure this week to restore capital punishment in the golden state.

IN VOICING his approval of the legislation, the California governor said: "There is no telling how many lives of law-abiding citizens and their families this legislation will save. It's the people's will..."

The measure, spearheaded by California Assemblyman George Deukmejian, would make the death penalty mandatory for the first-degree murder of a prison guard or an off-duty peace officer.

At the same time, Deukmejian's assembly-passed legislation stipulates mandatory death sentences after next Jan. 1 for cases of murder for hire, multiple murders or first-degree murder by a defendant with a prior first degree conviction, murder of a witness in a criminal case and train-wrecking resulting in death.

IT WOULD ALSO require executions for first degree murders occurring in the act of a robbery, burglary of an occupied residence, rape, kidnapping and lewd conduct involving a child under 14.

Whenever the trumpets are sounded for capital punishment, we hear from the other side that capital punishment is savage and heartless — but no one seems to offer comfort to the family of a loved one who fell victim to a first-degree crime. What about their rights?

Several weeks ago the bodies of scores of young boys were unearthed in Houston, Texas...victims of a bizarre sex case. Whether the threat of capital punishment would have averted the tragedy is debatable...but tell that to the grieving parents.

Mrs. Dannis, a fiery member of the Warren council, in her campaign to get a capital punishment advisory vote on last month's primary ballot in Warren, said: "Unless we take the necessary steps to stop the senseless killings in our cities — then who will be safe?"

AND BASED ON the resounding support for capital punishment in Warren's advisory vote, Mrs. Dannis has a lot of support — the same kind of support that triggered the California legislature to restore capital punishment for the golden state.

THE QUESTION of capital punishment is severe, and while we may question the death penalty method to deter the alarming increase in senseless killings of men, women and children — a deterrent must be found.

During my tenure as a reporter covering the Warren city government beat, I've had the opportunity to report on Mrs. Dannis' legislative efforts — and her latest is to be commended.

The fear of facing the death chair might turn the tide.

Whatever the course of action, it must be taken. We must, if we are to survive...

Count your change!

The state spends your taxed money

One hundred sixty dollars and ninety-two cents does not sound like much money when we speak of the spending of the Michigan State Government. But it is approximately the Michigan real average weekly earning of employees in manufacturing. When does the State of Michigan spend this $160.92? They spend this amount. . .

...every second of every minute of every day in the 1973-74 fiscal year. This is computed using a 24-hour day and a 7-day week. Assuming that all the money is spent in an 8-hour day, 5-day week the per second spending would approach $675!

...$9,655.11 will buy quite a car, or cars. The Michigan State Government spends this amount every minute of every day!

...$579,306.42 sounds like quite a bit of lettuce but it only takes one hour for State Government to spend this amount!

...$13,903,353.98 is spent each day!

...$97,590,850.06 is spent each week!

...$422,893,683.58 is spent each month!

...$5,074,724,203 is the total amount of money to be spent (as of this report) by the State of Michigan in the 1973-74 fiscal year!

Does $160.92 sound like a little more money now? In the time it takes you to say that amount, State Government has spent twice that much.

Whose money is it that is being spent? It's your money, Mr. Taxpayer! It's your tax money!

Voice of the people

Stresses classroom dilemma

To the Editor: I have been a teacher for the past seven years and I feel that parents have a right to know about the over-crowded conditions mushrooming in their schools.

Each day the students of the Van Buren Schools experience the same frustration you did when you went shopping in a crowded store, found the item you wanted, and had to wait fifteen minutes for your turn with the only clerk in the department.

As an example, when a second grader must wait 15 minutes while the teacher makes the rounds to see if he has made an "s" correctly in writing class, all eagerness for learning has disappeared during this exaspirating wait.

Teachers of this district are faced with a contradiction which is worsening each year. They realize that instruction must be geared toward the individual differences in each child. Just as each child does not learn to walk on the same day of his life, each child is not ready to learn the 5 times table on the same day.

Teachers want to reach each individual child to develop his self worth; this is what they have been trained to do. This is why they took the job. At the same time classrooms are becoming more and more crowded. Some teachers have found their class sizes up as much as 25 percent in the past few years. School time is limited, the amount of time given to each individual is limited, and child frustration is boundless.

In short, as class size has jumped, so have frustration, boredom, and anger for the children. No matter how dedicated the teacher, it is a mathematical impossibility for him to give the children the same amount of individual attention that was available in this district five years ago.

Each child is sent to school by his parents as an individual. What are his chances of maintaining and developing that precious individuality as class sizes grow?

Barbara Boelter
Belleville teacher

Parents Rap teacher picketing

To the Editor: When my children left home for school today, I told them, "listen carefully to your teachers and obey them; do whatever they tell you to do." They have been taught to worship God, honor mother and father and love for our country. Next in line came the teachers, for whom there was also taught a certain reverance.

I'm taking a closer look now at our teachers than I ever did before. It sickens me to see them picketing. They have let us down. We're disappointed and disillusioned with them.

As their employer, I hereby request of their union leaders a list of all grievances and demands. (are you ashamed to see them in print?)

As their employer and taxpayer, I hereby request on behalf of all the taxpayers in Van Buren Township and Belleville to sit down and openly negotiate with them. The school board is only a representative body for the taxpayers.

Surely, this request is not unreasonable. Through their union officials, the teachers have delegated such authority to them. Is it asking too much to give the parents of the students the same rights?

We are constantly reading in the papers and hearing our teachers say, "the school board won't negotiate". Give us, the taxpayers, the chance to negotiate, let us carry the ball!

Parents, Belleville

Fall sets in at Ess Lake in Montmorency County

The color season is arriving

Plan that countryside tour for the family

There are 58 forest specimens spread across Michigan, the City of Wayne included, that qualify for the national Social Register of Big Trees, and almost half of them can be viewed through the windshield by fall color tourists, according to Automobile Club of Michigan.

Michigan has more national championship trees certified by the American Forestry Association than any other continental state except Florida, which has 69. Hawaii is the only state — with 203 champions — that surpasses Florida.

"Persons who plan trips to view Michigan's big trees this fall will be seeing them in their most colorful setting," states Joseph Ratke, Auto Club touring manager.

MICHIGAN'S COUNTRYSIDE is at its radiant best during the fall — when woods and fields change from summer green to a brilliant sea of red, orange, purple, scarlet and brown.

Auto Club estimates that 600,000 Michigan families will make special trips from now through October to view colors, and they should spend at least $50 million. The average couple on a weekend color tour in Michigan can expect to spend between $75 and $100.

"Fall color has started to show on the fringes of some forests already," states Ratke. "The peak fall color touring season is expected to begin in the Upper Peninsula by the end of September."

HOW LONG THE COLOR season lasts in any area depends on the weather. Cold weather with heavy frost and strong winds means a short season. Warm weather with sunny days helps color remain in an area up to two weeks.

"TWENTY-FIVE OF Michigan's 58 national championship trees are roadside specimens since most can be viewed from the car once located," Ratke adds.

Trees earn their titles as champions based on three measurements: circumference, height and spread at the crown.

The following list containing locations and dimensions of 16 roadside national championship

Wayne's Eastern Cottonwood stands with the giants...

trees has been compiled by Auto Club with the cooperation of the Michigan Botanical Club:

Upper Peninsula:

QUAKING ASPEN — Porcupine Mt. State Park (near Ontonagon), South Boundary Road, just west of where eastern section of road bends west; 206-inch girth, 95 feet high, 82-foot spread.

STRIPED MAPLE — Near Big Bay, Huron Mt. Club, Rush Lake Trail; 44-inch girth, 59 feet high, 43-foot spread.

West Michigan:

AMERICAN BASSWOOD — Old Mission Peninsula (north of Traverse City) at rear of Old Mission Schoolhouse; 267-inch girth, 115 feet high, 76-foot spread.

MT. PAPER BIRCH — Sleeping Bear Dunes (near Glen Arbor); 83-inch girth, 78 feet high, 70-foot spread.

BLACK CHERRY — Lawrence, Kane Road (east side); 285-inch girth, 114 feet high, 93-foot spread.

FRINGE TREE — Traverse City, state hospital grounds, northwest corner of open-lawn area; 24-inch girth, 18 feet high, 25-foot spread.

HACKBERRY — Wayland, 10th St. and 132nd Ave. (southwest corner); 235-inch girth, 118 feet high, 104-foot spread.

WHITE MULBERRY — West of Three Rivers, Bullock Road (north side), near Ruggles Road; 201-inch girth, 77 feet high, 74-foot spread.

NORTHERN RED OAK — Riverside, east end of Maple Lane; 279-inch girth, 118 feet high, 128-foot spread.

BLACK WILLOW — Traverse City, state hospital grounds, approximately one block north of Silver Lake Road; 337-inch girth, 90 feet high, 96-foot spread.

PURPLE WILLOW — Omena, northwest corner of Co. Hwy. 626 and Putman Road; 15-inch girth, 37 feet high, 49-foot spread.

East Michigan:

NORTHERN CATALPA — Lansing, state capitol grounds, south of east walk; 226-inch girth, 94 feet high, 85-foot spread.

JACKS OAK — Durand, cemetery on east side of Bancroft Road, north of Newberg Road; 225-inch girth, 86 feet high, 118-foot spread.

WHITE WILLOW — Jackson, east side of Blackman Road, north of Michigan Avenue; 343-inch girth, 83 feet high, 132-foot spread.

Southeast Michigan:

PRICKLY ASH — Northville, Cass Benton Park and West Hines Blvd., ¾ mile south of 7 Mile Road; 10-inch girth, 12 feet high, 17-foot spread.

EASTERN COTTONWOOD — Wayne, north of Michigan Avenue and east of Josephine; 309-inch girth, 137 feet high, 129-foot spread.

Huber proposal could cause Soviet unrest

Proposes honorary citizenship for two Russian dissidents

WASHINGTON — Freshman Rep. Robert J. Huber, R-Mich., wants Congress to offer honorary American citizenship to Andrei D. Sakharov and Alexander I. Solzhenitsyn, two Russian intellectuals who have demanded an end to the repressive policies of the Soviet government.

Sakharov, a physicist, and Solzhenitsyn, an author, command world wide reputations in their respective fields. Both now face possible arrest by the KGB (The Soviet State Security Police) for their insistence that the Soviet people be allowed to experience the joys of personal freedoms which citizens of western nations take for granted.

Whatever else Huber has done he has fired a solid shot across the bows of the Soviet authorities in Moscow. He introduced a house concurrent resolution and then explained his move in the Congressional Record.

WHILE THE GREAT masses of the Soviet people receive only a carefully edited account of what goes on in the United States, The Kremlin's own experts on American happenings study the Congressional Record with the same care the State Department uses in analyzing the articles in Izvestia, Pravda and other Soviet publications.

Huber's move clearly struck a responsive cord among many congressmen and senators. These lawmakers feel the United States should not grant the Soviet Union most-favored-nation trading status until Russia's Communist rulers allow Jews who so desire to migrate to Israel and stop persecuting scientists, writers, scholars and artists who resist tyranny.

'It is not easy to stand up for the cause of freedom...'

This position has been defined most strongly by Sen. Henry M. Jackson, D-Wash., Now Huber has added a new voice and a new approach from the House side.

ANXIOUS TO REACH an understanding with the Soviet leadership on trade matters and disarmament negotiations, the Nixon Administration has viewed with some concern the increasing criticism in Congress of Russian internal policies.

Both Sakharov and Solzhenitsyn have won Nobel Prizes. Huber reviewed their distinguished careers and said:

"These two giant personalities, by their steadfast faith in the right of man to intellectual freedom, recently gained the admiration of their compatriots as well as an ever increasing number of formerly indifferent peoples in other countries.

"AS EVERYONE well knows, it is not easy to stand up and be counted in the USSR for the cause of human freedom.

"The risks involved run all the way from merely losing your job to compulsory incarcerations and treatment in a mental institution, exile and a long term in a forced labor camp."

Belleville Enterprise
and Legal Times
Romulus Roman

Established in 1885, the Belleville Enterprise and Legal Times and the Romulus Roman — the official newspapers serving the cities of Belleville and Romulus and townships of Huron, Sumpter and Van Buren — are two weekly newspapers published each Wednesday by the Associated Newspapers, Inc., a division of Panax Corporation, at 405 Main St., Belleville, Mich. 48111

The central business office is located at 35540 Michigan Ave., West, Wayne Mich. 48184

Office hours in Belleville: Monday through Friday 8:30 a.m. to 4:30 p.m. Phones: 697-9191 for Belleville, 941-1275 for Romulus, area 313. Central office hours: Monday, 8:30 a.m. to 6:00 p.m. Tuesday through Friday, 8:30 a.m. to 4:30 p.m. Saturday, 8:30 a.m. to noon. Phone: 729-4000

Classified advertising calls at 729-3300 and circulation calls at 729-4460 during central office business hours.

Subscription rates by mail: second class postage paid at Belleville, Mich. 48111, $5 per year in Wayne County, $7 per year outside of Wayne County, $5 per year for servicemen. Carrier delivery 50c per month, collected on a monthly basis.

Associated Newspapers, Inc. retains ownership of all local news items and advertising copy which it helps create or reproduce in its columns and such cannot be reproduced by others without permission.

'Gets it all together'

Area club members to celebrate 4-H Week

Several years ago, the phrase, "generation gap" was bounced around by adults and young people alike. Youths were accused of not wanting to communicate with their elders, while their elders were accused of not wanting to talk to their youngsters.

Today, the "generation gap" has eased and both adults and kids can take some of the credit. Now, young people and adults are working together to solve mutual problems.

This sort of cooperation is well demonstrated through 4-H, which currently is observing 1973 National 4-H Week, Oct. 7-13, keynoted with the theme "4-H Gets It All Together."

ACROSS THE country, five and a half million boys and girls, ages nine to 19, a half million volunteer adult leaders and thousands of extension service personnel are involved in 4-H.

Working together they are putting the 4-H Week theme into action, in many ways helping to make their communities better places in which to live.

The timeliness of their efforts is indicated by the current 4-H emphasis on helping educate communities on ways to economically operate vehicles and to conserve electricity during the current energy shortage.

Other 4-H groups are helping to ease the food shortage by supporting agricultural production and marketing efforts.

ALSO, DRUG abuse programs, improving the environment, and community development planning are being given a high priority in 4-H programs

Boys and girls, of different backgrounds, philosophies and lifestyles, working together with adults to solve common problems -- that's the 4-H picture in 1973.

4-H brings together youths from all racial, economic, social and cultural backgrounds. Rural and city youngsters have an opportunity to interact, communicate and share ideas.

4-H is strong, and growing in all areas of the fifty states, Puerto Rico and the District of Columbia. Urban 4-H is expanding too. In fact, the major cities in the U.S., all have active 4-H programs.

LOW INCOME and handicapped youngsters are involved in 4-H through flexible programs and projects specifically geared to their needs. And 4-H'ers always have aided younger boys and girls in all 4-H program areas.

4-H is reaching out to bring more people together "to make the best better" in new ways. 4-H television series on nutrition and nuclear energy are premiering this year on hundreds of stations.

These and other 4-H efforts will reach hundreds of thousands of young people who've never been exposed to the 4-H program before.

Helping 4-H'ers and their leaders "get it all together" are business organizations, foundations, civic groups and private individuals, who aid the 4-H program.

ON THE NATIONAL scene alone, over $3 million dollars is being expended in 1973 to aid 4-H programs through the National 4-H Service Committee.

Contributing importantly too, are 31 million Americans who are 4-H alumni. These former 4-H'ers get together with young people in 4-H programs at all levels.

Working together, growing together, learning together -- that's what 4-H is all about in 1973. And we support the efforts of the total 4-H program, nationwide.

William J. Kuhfuss, president of the American Farm Bureau Federation recently said: "The 4-H Clubs of America are an excellent vehicle for developing sound, conscientious citizens."

Area doctor warns children to avoid all strange animals

Fresh air and the promise of bright colored foliage invite thousands each fall to the area woodlands. Informative and worthwhile, a forest outing with the family should begin with some strict warnings for children.

An area doctor tells parents to remind their children to avoid all strange animals no matter how friendly they appear.

"Not all rabid animals behave in a threatening manner. Many are friendly, while others are listless and unable to escape the eager hands of young children," he warns.

Dogs aren't the only animals which might be rabid. Rabbits, squirrels, birds, skunks and even kittens can be infected with this fatal disease.

"If anyone in the family is scratched or bitten by an animal, medical attention should be sought immediately," he added. "Rabies is a serious threat to human life and a physician should be notified at once of possible exposure."

If an animal inflicts a wound on anyone, the doctor urges that the animal be isolated in some fashion or its carcass held for authorities. Tests will show if the animal was rabid and whether or not a lengthy and painful course of medical treatment is necessary.

"Children should be taught to enjoy and respect nature, but to leave the animals alone, for the animals' sake and their own good health," he stresses.

MARCHING CHIPPEWAS — The Central Michigan University (CMU) Marching Chippewas made their fall debut recently during the half-time of the CMU-Western Michigan University football game. An area resident, Glenn Hayes of Romulus (second from right), is a member of the unit. The band is under the direction of Norman Dietz (right) and Jack Saunders. Also pictured is Mason Coleman of Grosse Point.

Restaurant to open

The Kentucky Fried Chicken restaurant under construction at 8267 S. Wayne Rd., Romulus will be open by Oct. 1 according to the owner, Theodore E. Hooten of Belleville.

Construction began on the new facility last fall. The restaurant will provide seating for 16 persons, as well as carry-out service.

Hooten now owns and operates a Kentucky Fried restaurant in the City of Belleville.

"Although the people of Romulus have known the Colonel's "finger licking good" chicken for years, this is the first restaurant of its kind in Romulus," Hooten said.

The hours for the new facility will be 11 a.m. to 10 p.m. seven days a week.

Huron School District sponsors safety class

The Huron School District will be sponsoring a course in "Hunter Safety" which will provide all hunters under 17 years of age with a certificate.

A license to hunt is not issued to a person under 17 years of age unless the applicant presents a certificate of completion in hunting safety or has proof of previous hunting experience under provisions of present state laws.

The following persons have provided free instructions to Huron School District for the last three years and have consented to do the same this year:

George Younglove, coordinator; Deon Balsdon, Paul Black, Clarence Haley (First Aid), Ed Kirby, Jim Manchester, Jim Mathews, Tay Porath and Perry Zygner.

No advance registration will be necessary, A fee of $3 will be charged to cover the cost of the certificate and is sent to Lansing.

Applicants registered must be present at all the meetings: First meeting, Sept. 26, second meeting, Oct. 2 and the third meeting Oct. 10.

Pre-trial hearing set for area man

A pre-trial hearing for a Belleville man who is charged with leaving the scene of a personal injury accident, will be held before Wayne County District Court Judge James B. Stone at 9 a.m. Oct. 4

Robert L. Andrews, 49, 46090 McBride St. allegedly was the driver of a car that struck and fatally injured Alfred L. Allen, 62, of Highland Park. The accident occured at 5:50 a.m. Sept. 14 on a service drive of the I-94 Expressway near Rawsonville Road.

Andrews was released on a $2,500 personal bond by Judge Stone to await pre-trial hearing.

MR. AND MRS. HAROLD WALKER

Evening nuptial rite unites Romulus pair

Roxane L. Witherow and Harold Walker, both of Romulus, exchanged wedding bands and vows in an August 24 ceremony at St. Aloysius Catholic Church in Romulus. The Rev. James Schramm presided at the seven o'clock nuptial rite which united the daughter of Mr. and Mrs. Edward F. Witherow of Castle Drive and the son of Mrs. James Walker of Wick Road.

Six altar vases containing white gladiolas and daisies formed the setting as the couple became husband and wife. Corliss Wisniewski was at the organ to play wedding selections and accompany the soloist, Peggy Zachery.

Escorted to the sanctuary by her father, Roxane was gowned in white nylon fashioned with long sheer sleeves, a Sabrina neckline and a circular chapel train. Colonial lace enhanced the little fitted bodice, formed a wide border at the hemline of the skirt and banded the train.

HER FINGERTIP veil of nylon illusion was held by a cap of brocaded butterflies and roses. Completing her ensemble were fuji mums, stephanotis and a white orchid arranged on a white lace fan.

Carolyn Gagnon, a high school friend from Allen Park, carried out the duties of maid of honor. Bridesmaids were Maura Gamble, a cousin from Mission Viejo, California; Patrilla Tucker of Romulus; Veronica Bannish of Lincoln Park; and the bride's sister, Mary Kay Witherow of Romulus.

Identically dressed, the quintet donned green nylon dotted swiss frocks designed with short puffed sleeves and waistlines sashed with green ribbon and white lace trim. Their picture hats, in matching green, were encircled with the same color ribbon and lace. All five carried baskets filled with white carnations, green daisies and baby's breath interspersed with trailing ivy.

Best man was the bridegroom's brother, Robert Walker, with two other brothers, Spencer and Jay, serving as ushers along with Mike Fulton, an Air Force friend from Charleston, South Carolina.

AT THE HOME reception which followed, the bride's mother received in a floor-length dress of turquoise poly double knit. The bridegroom's mother chose a formal gown in yellow nylon crepe. Both were presented with corsages of carnations and roses to compliment their outfits.

After honeymooning in Canada, the newlyweds traveled to Charleston, where the bridegroom, a graduate of Romulus High School, is serving with the U.S. Air Force.

The new Mrs. Walker was graduated from Aquinas High School in Southgate and prior to her marriage was employed by Sears Roebuck in Lincoln Park.

FAMILY PORTRAIT—The 83rd birthday of Mrs. Anna Falkiewicz of Garden City (right) was occasion for the photograph which recorded five generations in the family. Held at St. Martha's School cafeteria in Dearborn, the birthday party was attended by some 150 members of the family including the honoree's eight living children, 43 grandchildren, 33 great-grandchildren and one great-great granddaughter. The latter, Lori Ann Zarazua, is held by her mother, Mrs. Cynthia Zarazua of Romulus (at left). The infant's grandmother and great-grandmother, Mrs. Lorraine Prill of Romulus and Mrs. Margaret Viazanko of Detroit, are shown at their left.

New Bostonites will celebrate golden wedding

Mr. and Mrs. Walter Gawlak of 24061 Dugan Drive, New Boston, will mark their golden anniversary October 1. The day before, Sunday, September 30, their daughters will host an open house at their home for the immediate family.

Planning the celebration are Mrs. Steve (Harriet) Horvath of New Boston; Mrs. Harry (Marlene) Uhlianuk of Armada; Mrs. Carl (Edna) Curiston and Mrs. James (Jean) Sears, both of New Boston; and Mrs. Kenneth (Patricia) Twydell of Belleville.

About 60 are expected to congratulate the Gawlaks who were married in Detroit in 1923. Mrs. Gawlak, the former Florence Kadrovich of Traverse City, and her husband are the parents of eight children, their five daughters, and three sons, Harry , James and Tom, all of New Boston. There are also 23 grandchildren and one great-grandson to be counted.

The golden jubilarians, who have lived in the New Boston area for the past 35 years, are being remembered by a 'card shower' from their friends this week.

W. Wagners mark silver anniversary

Relatives gathered September 22 at the Flat Rock home of Mr. and Mrs. Edward Bender to help celebrate the silver wedding anniversary of Mrs. Bender's brother-in-law and sister, Mr. and Mrs. William Wagner of 14735 Huron River Drive, Romulus.

Co-hosting the party were Mr. and Mrs. Hazen Hay of Romulus, Mrs. Wagner's parents, and Mr. and Mrs. Richard Hay of Allen Park, her brother and sister-in-law.

Mr. Wagner, born in Wyandotte, is an employee of the Ford Motor Truck Plant in Wayne. In his spare time he enjoys working in his rock garden. His bride of 25 years, the former Mercedes Hay, was born in Romulus and enjoys baking and baby-sitting for her nieces and nephews.

The couple, married September 25, 1948, at the Fort Street Presbyterian Church in Detroit, are the parents of two sons, John, who is attending the University of Iowa, and James of Belleville.

For the happy occasion, Mrs. Wagner wore a floor-length dress accented in silver. She was presented with a corsage of red roses tied with silver ribbon.

The party guest list included Mr. and Mrs. Ronald Bender, Mrs. Lillian Hay and Mr. and Mrs. Robert Hay, all of Belleville; Mr. and Mrs. Paul Stankus and Dr. and Mrs. William Taurence of Wyandotte; Mr. and Mrs. Fred Hay and Mr. and Mrs. Hazen Hay of Romulus; Mr. and Mrs. Gordon Hay from Saline; and Mr. and Mrs. Jack Hay of Plymouth.

Cream it!

Cream soup makes an excellent main dish and is a delicious way to use leftover vegetables, meat, fish or poultry. For each cup of vetables or meat use 2 cups thin white sauce made with 2 tablespoons each butter and flour, ½ teaspoon salt and 2 cups milk. Serve with crunchy crackers and Cheddar cheese.

Protect pork investments

Protect those valuable pork investments. The first step is to bring pork purchases home promptly and place them in the meat compartment or coldest part of the refrigerator. Fresh pork, prepackaged for self-service, should be stored in the refrigerator in the original wrapping not to exceed two days, or it may be frozen (at 0 degrees F. or lower) without rewrapping and stored in the freezer one to two weeks. For longer freezer storage the original package should be overwrapped with special freezer material. Smoked pork, such as hams, picnics and shoulder rolls (butts), should be stored in original wrapper in the refrigerator not to exceed two weeks or in the freezer not longer than two months.

MISS KISSEL

Miss Kissel sets spring for wedding

Ronnie Kay Kissel of 75 Liberty Street, Belleville, and Pvt. Mark Steven Grubbe of Dearborn Heights are engaged and making plans for an early spring wedding.

The bride-elect, a 1973 graduate of Belleville High School, is employed at the J.C. Penny Company of Arborland. She is the daughter of Clarence W. Kissel of 13720 Martinsville Road, Belleville, and Mrs. Mary Lou Curavo of 251 Henry Street, Belleville.

Her fiance, son of Mr. and Mrs. Gerald D. Grubbe of 26065 McDonald, Dearborn Heights, attended Robichaud High School and is currently serving with the U.S. Army at Fort Bragg, North Carolina.

Farm Bureau entertained by Robsons

The first fall meeting of the Friendly Neighbors Farm Bureau Group met at the home of Mr. and Mrs. George Robson of Tyler Rd. on Wednesday evening, September 19, with 12 members present.

The chairman, David McMullan, conducted the business meeting which was followed by a discussion on, 'No Fault Insurance' which was led by Robert Robson.

A lunch and social time were enjoyed by all following the meeting.

Romulus Personals

Senior Scouts spend week-end at Linden

By Pearl Morris
WH-1-1187

Sr. Girl Scout Troop No. 345 of Romulus spent the weekend (September 21-23) at Camp Linden with about 400 cadet Senior Scouts from the Huron Valley Council. They left the camp Saturday and spent the day ushering at the University of Michigan football game. Local Scouts who participated were Addell Austin, Marie Hearne, Maryann Nelson, and Christine Streety. Troop No. 345 is interested in having more girls from grades 10 to 12 join them. For more information phone 941-4077. The girls were accompanied on the weekend outing by their leader, Mrs. Harley Savage.

JOHN WAGNER of Huron River Drive South is attending Iowa State University at Ames, Iowa, for his fourth year of college work. He also hopes to get in some law courses at a nearby college in preparation for becoming a lawyer. John is a Romulus High School graduate of 1969 and attended Northern Michigan University at Marquette for three years. His parents, Mr. and Mrs. William Wagner, reside at 14735 Huron River Drive.

AFTER A summer adjournment, the first fall meeting of the Romulus Service Mothers Club will be held Monday, October 1, at the Romulus Progressive Club Hall on Ozga Road. The meeting starts with potluck supper at 6:30 p.m.

4-H KEY CLUB application forms are due at the Extension Office in Wayne this week. To be eligible for the Key Club award a 4-H member must have completed three calendar years of club work, completed 4-H projects in at least two project fields, completed a Teen Leadership project, participated in three district or state 4-H events, and been recommended by his or her local leader. A member must earn at least 175 points to be considered for the 4-H Key Club Award. Those winning this outstanding award will be announced at the annual Awards Banquet.

MRS. LEONARD Piper of Huron River Drive West is back at home convalescing after spending a week as a patient at Annapolis Hospital in Wayne.

PROMOTION Sunday for Sunday School youngsters will be held next Sunday (September 30) at the Community United Methodist Church on Olive Street. There will also be a special dedication program for teachers of the Sunday School Department.

MR. AND MRS. Hazen Edward Hay of Eureka Road will celebrate their golden wedding anniversary Saturday, September 29. Their children will honor them at a dinner-reception in observance of the happy occasion.

THE ROMULUS Area Advisory Council of the Communities United For Action (C.U.F.A.) will meet at 7:30 p.m. Thursday at the Romulus center, 35351 Beverly Road (across from the Beverly Elementary School). All concerned residents are invited to attend the meeting. The purpose of the group is to aid needy persons in such ways as providing a hot meal for senior citizens, the children's hot lunch program, furthering a neighborhood youth corps and providing transportation for elderly and ill or handicapped persons needing to visit the hospital or go for medicine.

THE ROMULUS Community United Methodist Church congregation and the pastor, Rev. Hal Ferris, invite local residents to make plans to attend a special program which will be brought to the church on Olive Street Thursday, October 18, at 8 p.m. The well known Saint James Singers will be here to perform the Religious Folk Musical "Lightshine". A coffee hour will follow the performance. There will be no admission charge but a free-will offering will be taken.

It's a Date

SUMPTER — The Women of the First Missionary Baptist Church of Sumpter will sponsor a Mother-Daughter Banquet Saturday, Sept. 29, at 5 p.m. at the church on Bohn Rd. Mrs. Ruth Dickey is chairing the event.

NEW BOSTON — A rummage sale will be held Saturday, Oct. 13, from 9 a.m. to 3 p.m. at St. Paul's Evangelical Lutheran Church, Ellis at Craig Sts. The event will be sponsored by the Ladies Aid Society.

YPSILANTI — The Lincoln Alumni Association will sponsor a Fund Dinner-Dance at the Ypsilanti Armory Saturday, October 13. Dinner will be served at 7:30 p.m. and dancing will follow from 9 p.m. to 1 a.m. Tickets at $7.50 per person will include dinner, dancing, refreshments and set-ups. Otherwise, it is BYOB. Advance reservations must be made by Oct. 1. Please call the association secretary, Donna Winkle, at 483-7484. The event is open to the public.

(EDITOR'S NOTE: It's A Date is open to all local non-profit organizations free of charge. Information for the column should be submitted by phone or mail by Thursday of the week before the issue in which it is to appear. Items will be repeated until outdate. Call 697-9191 between 9 a.m. and 2 p.m.)

Ensign Mark Amerman is engaged to Virginia co-ed

MISS TURNER

Mr. and Mrs. Samuel C. Turner of Fairfax, Virginia announced the engagement of their daughter, Jan, to Mark Woods Amerman, son of William A. Amerman of Lansing and Mrs. Althea Woods Amerman of Belleville.

Miss Turner is a 1972 graduate of West Springfield High School where she was a member of the National Honor Society and the Junior Classical League and held letters in three varsity sports. She is currently attending the University of Virginia, College of Arts and Sciences, majoring in psychology. At UVA, she was honored at the First year Recognition Dinner of the 'Z' Society.

Her father is program analyst for the Federal Reserve Board in Washington, D.C. Her grandparents are Mr. and Mrs. Samuel Turner of Linneus, Missouri and Mr. and Mrs. Don Shafer of Chula, Missouri.

The prospective bridegroom was commissioned as an ensign in the U.S. Naval Reserve August 18 and the same day graduated with high distinction from the University of Virginia. He will be stationed at Ramey Air Force Base in Puerto Rico while on active duty.

Ensign Amerman's father is with the Treasury Department of the State of Michigan. He is the grandson of Alton Amerman of Belleville, Ypsilanti and Fort Lauderdale, Florida, and the late Dorothy Alban Amerman, and Dr. John W. Woods of Farmington Hills and the late May Graley Woods.

The Book Nook

ROMULUS LIBRARY
11121 Wayne Rd.

FICTION

'Oh! Where are Bloody Mary's Earrings?' by Robert Player. The priceless diamond earrings given to Mary Tudor by Philip of Span are sought by varied members of Queen Victoria's court.

'The Legend of the Green Man' by Sara Hely. When Lady Kitty Harcombe arrives in Ireland to visit Sir William Fossick, she is drawn into the mystery surrounding the identity of the Green Man, the defender of civil liberties.

'Burnt Offerings' by Robert Marasco. A young family rents a majestic, uncared for and sinister summer home.

'Masquerade in Venice' by Velda Johnston. In an attempt to escape her life in New England, Sara Randall journeys to Venice to stay with her great-aunt. A novel of suspense.

'State Trooper' by Noel B. Gerson. Lt. Red Martin of the Connecticut State Police faces a tense and critical week-end while trying to maintain order at a rock festival and avert a 'revolution' planned by a militant black group.

NON-FICTION

'The Complete Snow Camper's Guide' by Raymond Bridge. In addition to tips on selecting camping equipment, the author provides information on touring and handling emergencies while exploring the snow-covered wilderness.

'Psychosomatics: How Your Emotions Can Damage Your Health' by Howard R. Lewis. Drawing from case studies, the author examines the relation of emotional stress to particular health problems and diseases.

'The Winter Soldiers' by Richard Ketchum. The story of how General George Washington and a ragged, beaten army defeated England's trained expeditionary force in two small encounters at Trenton and Princeton and thus turned the tide of the Revoluntionary War.

BIOGRAPHY

'Richie; the Ultimate Tragedy Between One Decent Man and the Son He Loved' by Thomas Thompson. Relates the life and fate of a Long Island youth who became addicted to drugs and probes the anger, despair and frustration of his parents.

'No Time for Dying' by Eddie Harrison. Records the plight of a black convict who battled the penal system in a struggle for justice and won a presidential commutation in 1970.

'Brando; the Unauthorized Biography' by Joe Morella. Provides an intimate account of the controversial actor's private life as well as a record of his films, including Last Tango in Paris.

Olney-Daleo wed at St. Stephen's

In a recent summer ceremony at St. Stephen's Catholic Church in New Boston, Evelyn Daleo became the bride of Mitchell Olney. The single ring rite was officiated by the Rev. Alexander Wytrwal before some 100 assembled relatives and friends.

For the five o'clock nuptials, the altar was appointed with bouquets of white gladiolas and Dorothy Roberts was at the organ to play traditional wedding selections.

Parents of the young couple are Mr. and Mrs. John Dobozy of Belleville and Mr. and Mrs. Richard Olney of New Boston.

Entering the church with her step-father, Evelyn appeared in a lace gown fashioned with a high neckline, long tapered sleeves and a bouffant skirt comprised of lace tiers which continued into a brief train.

HER ILLUSION veil, cut in mid-back length, was caught to a white bow accented with lace. A hand bouquet of multi-colored blooms added contrast to her bridal ensemble.

Preceding the bride to the altar were her honor attendant, Mrs. Diane Ritthaler of Romulus, and bridesmaids, Paulette Johnson and Michele Van Cooley.

Mrs. Ritthaler was dressed in a pink floral design accented with a moss green bow while the other attendants were in similar yellow frocks also featuring moss green bows. Their picture hats matched their gowns and the baskets they held were filled with vari-colored flowers.

Randy Prater of Romulus was asked to be best man and ushers were Dave Kimery of New Boston and Louie Householder from Detroit.

The VFW Hall in Romulus was reserved for the reception which followed. The 100 guests were greeted by Mrs. Dobozy in an orange, green and yellow floral printed gown to which she added her orchid corsage. Also presented with an orchid, the bridegroom's mother donned a pink sleeveless gown trimmed in white.

The newlyweds are now making their home in Belleville.

Meal time cookbook is offered

Time saving meals and ideas for the homemaker or career person with one eye on the clock are available for the asking.

Minute Rice has collected menus and easy to prepare entrees in a full color, 36-page recipe booklet entitled 'Clock-Watcher's Cookbook.' MR. AND MRS. OTIS BENNETT

Sumpter couple to be honored

A golden wedding celebration honoring Mr. and Mrs. Otis Bennett of 17720 Martinsville Road, Belleville, will be held Sunday, September 30, at the Sumpter Social Civic Club on Sumpter Road.

The couple's seven children are hosting the party from two until five in the afternoon.

Otis B. Bennett took Pauline Richards as his bride September 29, 1923. The Rev. Bunnell of the Wesleyan Methodist Church in Romulus performed the ceremony in his home with Ronald Bennett and Winifred Hewens as attendants.

Mr. Bennett worked for the Ford Motor Company at River Rouge at the time of their marriage and was one of the last three men to be laid off during the depression. He later worked for the Carl Phillips Olsdmobile Garage in Belleville for 17 years and retired from employment with the Van Buren Public Schools in April of 1967.

The couple's family tree includes seven children: Mrs. Phyllis Gallaway of Big Sandy, Tennessee (who was born on her parents' wedding anniversary and also has a daughter, Deanna, who shares the same natal date); Mrs. Esther Gawrys of Santee, California; Mrs. Carole Morgan of New Lothrop, Michigan; Bruce of Jonesville; Richard (better known as 'Garth') of Barstow, California; David of Las Vegas, Nevada; and Herbert of Maybee. There are also 25 grandchildren and two great-grandchildren with two more expected to arrive the early part of 1974.

The birth of the ice cream cone

It happened only yesterday at the 1904 World's Fair in St. Louis — midway between the ice cream concession and the waffle stand. It was love at first sight when ice cream met a cute cornucopia-shaped waffle ... and the ice cream cone was born.

It seems that Mr. Ernest Hamwi was busy making Zalabia, a sugary wafer-like waffle when he heard a disappointed moan from the crowd at the ice cream booth next door. He looked up to see the dejected face of the ice cream vendor who had just run out of bowls for his ice cream. Quickly, Mr. Hamwi folded a waffle into a cornucopia and handed it to his neighbor. The ice cream man promptly plopped a double-dip into a hollow cone. He offered the treat to the first nickel he saw, then watched as the customer happily consumed ice cream, cone and all.

Since that day, the whole world has shown its love for ice cream in the edible container by eating them at the rate of 10,000,000,000 cones per year.

Step-down

Fences built on inclines should be stepped down in sections, keeping the rails horizontal. A slanted line makes the fence appear to be leaning over.

MISS SMITH

Altar date planned for summer

A wedding in June of 1974 is being planned by Toni Lynne Smith of Belleville and John L. Stolz of Monroe, formerly of Belleville.

Miss Smith is the daughter of John L. Smith of 12095 Grandmont, Detroit, and Mrs. Joan M. Hillis of 75 Liberty Street, Belleville. She attended Belleville High School and is currently employed at Winkelman's of Ann Arbor.

The prospective bridegroom attended Belleville High and is now working as a mechanic at Ed's Union 76 of Belleville. He is the son of George Stoltz of 16755 Martinsville Road and Mrs. Jean Knapp of Monroe.

Getting married? Tell us about it

Want to share that 'special day' with those who are unable to be present, in person, for your wedding ceremony? We'll write the details of your wedding in story form for you — and at no charge — if you'll simply follow a few guidelines.

The Belleville Enterprise and Romulus Roman offer bridal questionnaires for you to fill out as well as engagement forms for announcing the 'start of it all.'

Forms may be picked up at our office, 405 Main-Street, (we're in the old Township Hall now) anytime during the week or will be mailed out if a telephone request is made. Call the Women's Editor at 697-9191.

More tonnage passes through the Soo Locks in an eight months Great Lakes navigation season than through the Panama Canal in a normal year.

Mrs. Bohl is home from tour abroad

By MRS. JOSEPH SPRING
699-4021

Mrs. Elda Bohl of Robson Rd. returned home on Monday evening, Sept. 17, after enjoying a 15-day conducted tour through Portugal, Spain and Morocco. Among the many places of interest viewed were the Rock of Gibraltar and the Sahara Desert. She was especially impressed with the many types of people whom she met.

KENNETH NOLFF of Edison Ave. left on Monday of last week for Evanston, Illinois, where he will attend Garrett Theological Siminary this coming year.

MR. AND MRS. Donald Zimmer and family of Charlotte were last week-end guests of the latter's parents, Mr. and Mrs. George Robson, of Tyler Rd.

MRS. CHARLES Frigard of Church St. has been a guest this past week of her son and wife, Mr. and Mrs. Ray Frigard and their family, at Deep Haven, Minnesota.

GUESTS ON Sunday of last week at the Harmony Lane home of Mr. and Mrs. Lloyd Orr were the latter's sister, Mrs. Arlo Roth of Dayton, Ohio, who was a luncheon guest, and the ladies' brother and wife, Mr. and Mrs. Robert Johnson from Vassar, who were supper guests.

MRS. BERTHA Bluhm of Detroit has been convalescing this past week at the home of her son-in-law and daughter, Mr. and Mrs. Chester Adams, of W. Huron River Dr., following eye surgery for the removal of a cataract at Sinai Hospital.

ENJOYING A tour of eight homes in Ypsilanti, sponsored by the J.C.'s of that city on Saturday of last week, were Miss Lucile Webster of Dearborn, Miss Florence Renton of Savage Rd., Miss Marian Irwin of Waters Edge and Mr. and Mrs. Henry Deering of W. Columbia Ave.

MRS. MINNIE Moser left for her home in San Antonia, Texas, on Sunday of last week after having spent several months in Michigan visiting her sisters and brothers and other relatives.

MR. AND MRS. Chester Zimmer of Martinsville Rd. spent several days last week at Indian River with their son, Robert and family.

AFTER SPENDING 10 days visiting relatives in Manchester, Tennessee, Mr. and Mrs. Clyde Woods of Belleville Rd. returned home last Wednesday evening. While gone they called on one-time Ecorse Rd. residents, Mr. and Mrs. Milton Oakley, who are now residing at Fairfield Glade, Tennessee.

OVER NIGHT guests on Saturday of last week at the home of Mr. and Mrs. James Savage of Robbe Rd. were the former's sisters and their husbands, Mr. and Mrs. Warren Hoopingarner of Berrien Springs and Mr. and Mrs. Vernon Porter of Ogden Dunes, Indiana.

On Sunday afternoon the were joined by other relatives, Mr. and Mrs. Russell Wilson and Mr. and Mrs. Pat Schiller and family of New Boston, Mr. and Mrs. Henry Deering of W. Columbia Ave., and friends of long standing, Mr. and Mrs. George Haft, of Church St. for an afternoon of visiting.

AFTER HAVING spent the summer months in northern Michigan, Mr. and Mrs. George S. Renton are now at home on Martinville Rd. They spent some time at Gulliver in the Upper Peninsula with their families, the William Whichellos and the Edwin Rentons but made their headquarters at Good Heart with the George A. Rentons.

MEMBERS OF Belleville Chapter No. 73, O.E. S., who were in attendance at the 75th Anniversary of Nankin Chapter No. 238 of Wayne were Harold and Ruby Clayton, Frances McAttee, Elda Bohl and Cora Bradshaw. The degrees were exemplified by the Grand Officers of the Grand Chapter of Michigan.

AFTER HAVING spent sometime visiting relatives and spending the past week with Mrs. and Mrs. Everett Welt of E. Huron River Dr., Mrs. Christine Schweitzer has now returned to her home in Kingston, New Hampshire.

MRS. G.G. MILLER of Stanley Dr. and Mrs. J.H. Tator of High St. attended a luncheon meeting of the Dental Auxiliary held at Weber's in Ann Arbor on Monday of last week. The guest speaker, Dr. Hugh Cooper, gave a program of 'Project Hope.'

WORD HAS been received here by friends of the death of a former resident, Mrs. Ruth Atyeo Wolf of St. Petersburg, Florida. Burial took place at Fremont, Ohio. Mrs. Wolf's husband, Stanley, passed away about three months ago.

A toast to football

French toast with a difference — the NFL Training Table Foods way — can make a real difference at breakfast. It's kitchen-tested.

TOUCHDOWN TOAST
2 eggs
1 cup milk
1½ Tbsps. sugar
¼ tsp. salt
1 tsp. ground cinnamon
¼ tsp. ground nutmeg
8 slices of bread, crusts removed
2 cups Wheaties, crushed with a rolling pin
2 ripe Chiquita bananas

Beat eggs slightly; add milk, sugar, salt and spices. Mix thoroughly. Cut bread in half diagonally. Dip in egg-milk mixture and in Wheaties, coating both sides with crumbs. Cover the bottom of a skillet with oil and fry the bread pieces on both sides until brown. Drain on a paper towel and keep warm in oven until all are cooked. Add more oil as needed. Slice bananas and put between two diagonal, cooked bread pieces to make a sandwich. Serve hot with syrup. Makes 8 servings.

Do mums cause allergy?

Chrysanthemums can cause a rash. "Mums" are one of the most common causes of skin rash among florists and gardeners, an article in a recent publication of the American Medical Association, points out. The offending ingredient, known medically as "sesquiterpene lactones," also is found in tulips. Leaving them out of the bouquet is the only preventive.

MISS WHITEHEAD

October 6 wedding is planned

Mrs. Bernice Shannon of 45050 Judd Road, Belleville, is announcing the engagement of her daughter, Sherry Whitehead, to Clarence Jackson, son of Mr. and Mrs. Clarence Jackson of Detroit.

A 1972 graduate of Belleville High School, the bride-elect is currently employed at Ypsilanti State Hospital.

Her fiance is employed by Wolverine Fabricating Company in Inkster while attending Wayne State University as a music major.

An October 6 wedding at Cathedral of Faith Church, Inkster, is being planned.

A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

You can get lots of legal advice - free. But not from a lawyer. You can get lots of medical advice - free. But not from a doctor. The plain fact is paid for professional advice in any field is invariably less costly than free advice given by unqualified counselors.

At the risk of appearing contradictory, here is FREE professional advice. Has your family situation changed in recent months or years? Making more money; less money? Own more property; less property? Have more investments; less investments? Have a larger family; smaller family? More assets; less liabilities, or vice versa? If you answer yes or no to any one or more of these questions, here is good advice, prompted by personal observation and experience with distressed families. UPDATE YOUR WILL! (Assuming you already have one!) In an up to date will, you immortalize your hopes and show powerful proof of your concern for your loved ones. Consult your lawyer. Don't put it off. A "some day" may be too late. . .

Survey rates Sumpter Township 'low' in social, economic levels

Sumpter Township is among the areas with the lowest social and economic levels of 179-communities in the Metropolitan Detroit area.

According to a report prepared by the United Community Services (UCS), a Torch Drive fund distributing agency, Sumpter is on a level with Pontiac and large portions of Detroit on a social-economic index used by the agency to determine need of community services.

At the same time, Romulus and Huron Townships are judged to be at "below average" social and economic levels while Belleville is at an "average" social and economic level and Van Buren Township is judged to be "above average" in social and economic levels.

THE UCS-PREPARED the report from 1970 U.S. Census statistics, combining information on home value, family income, occupational levels of community members and educational status of community members to make the social-economic determination.

The survey was taken among 159 communities in Wayne, Oakland and Macomb counties, including 59 sub-communities in Detroit.

According to the report, Sumpter has a low ratio of professionally-trained citizens and a low level of citizens who have completed four years of college combined with high levels of citizens who engage in non-skilled professions and a high level of citizens who have not completed college.

At the same time, it has a "below average" median family income and a "below average "median home value.

HURON AND Romullus fared a little better, with Huron combining a "below average" ratio of college educated citizens with "a low average" number old citizens who did not complete high school, a "below average" level of professionally-trained employes and an "above average" number of non-skilled laborers with "average" home value and family income to reach the "below average" social-economic level.

Romulus was found to have "low" ratio of college educated citizens, "below average" home value and professionally-trained citizens, "average" home value and "above average" numbers of non-skilled citizens and citizens who did not complete college to be declared "below average" on a social - economic level.

Belleville, with its "avera" home value", average" family income, "average" number of professionally trained citizens, "above average" numbers of non-skilled employes and college educated citisens and "below average" numbers of citizens who did not complete high school was judged to be "average" on a social-economic level.

To reach its "above average" status, Van Buren was judged to have "above average" family incomes, home values and numbers of high school dro-outs, "average" numbers of college education citizens and "below" numbers of professionally-trained and none-skilled employes.

Area residents can register for adult education classes

Area resident still may register for adult classes to be held in Romulus Community Schools this fall.

Due to the teachers' strike, the following changes have been made in enrollment and class schedule:

Registration for the day and evening adult high school classes will be held through tomorrow evening at the senior high school from 7 to 10 p.m.

Registration for day classes scheduled to be held at the Romulus City Library at 10 a.m. through this mornings.

Interested adults are requested to register according to these schedules because the program will not receive any state aid for enrollments taken after this Friday (Sept. 28).

Adult high school classes are meeting for the first time this week and all hobby classes have been postponed until the week of Oct. 8-11.

Further information about all adult programs may be obtained by calling Romulus Adult Education at 941-1600, ext. 37 during the day and 941-2173 after 6 p.m.

For rigorous study program

Sheriffs welcome trainees into 'dictatorship'

By CAROL THOMAS
Enterprise-Roman Staff Writer

Trainees at the Wayne County Sheriff's Department Police Academy are welcomed into a dictatorship - not a democracy - when they arrive for their seven weeks of intensive training.

But with rigorous studies, and training administrators hope they can teach them that being a policeman means more than just carrying a gun and a badge.

The academy located in Inkster's Milton Middle School near the road patrol division headquarters on Henry Ruff in Westland was formed in 1971 to train sheriff's department officers, but since it takes 25 to make a class, other area departments were invited to send their newly-hired policemen for training, according to administrative assistant Peter Wilson

THE STATE demands and pays for 280 hours of training for every policeman before he is allowed to wear a badge, Sgt. Richard Koch from the Wayne County Sheriff's Department said.

'One of the big things we try to teach the trainees is that they have to be courteous.'

The Middle School building section is rented for the academy and instructors are brought in from various area police departments and educational institutions.

Trainees receive instruction in criminal law, search and seizure, evidence, traffic investigation, narcotics investigation as well as the mechanics of police work and physical training, Koch said.

"One of the big things we try to teach the trainees is that they have to be courteous, they have to be human," Koch added. "If they do something bad, it can come back on them and their whole department.

"WE'RE REALLY heavy on courtesy in this academy-because what we've got going against us as police is the police themselves.

The seven-to-nine week course closely resembles military basic training, Wilson said. All instructors are referred to as "Sir" before the trainee speaks, and sleeping in class results in immediate expulsion, according to a list of rules.

Many instructors for basic police science classes come from the sheriff's department, but Bruce Danto, head of the Detroit Polide Department's Suicide Prevention unit, a Wayne County Assistant Prosecutor Rheo Marchand, the sheriff's legal adviser Terry Boyle, and agents from the Federal Bureau of Investigation, the Secret Service and the state police are called in to teach various elements of law and psychology.

Officers from Westland and Inkster police departments teach classes, too.

THE ACADEMY has been functioning since February, 1971, and has graduated seven classes. Another class might start in January, Wilson said.

When the sheriff's dept. receives enough of its own recruits and requests from area departments, a class is collected for a session.

Most of the trainees are from local departments, but they can come from all over the state. The sheriff's academy is one of 15 police academies in Michigan.

It costs approximately $275 to $300 to train a policeman, and the entire bill is footed by the state, Wilson said.

While a trainee is taking classes at the academy, however, he is on paid duty time from his own department, he added.

Van Buren is seeking building bids

Van Buren Township is seeking bid proposals for the construction of an addition to the township hall, located at 46425 Tyler Rd.

Prints and specifications for the proposed addition are available at the township hall.

Bids must be received by the township not later than 7 p.m. Oct. 5.

High Flyers will conduct registration

The High Flyer 4-H Club will be registering for its fall enrollment from 12:30 to 2 p.m., Saturday.

Registration will be conducted at the home of Robert Cook, 9569 Morton Taylor Rd., Belleville.

For further information, call 697-8822.

Stock a home fire extinguisher

Fire is the main cause of accidental deaths in the home.

One way to protect your life and property against fire is by stocking a home fire extinguisher. In order for an extinguisher to provide an adequate means of defense against fire, it should be bought knowledgeably, maintained properly, and used correctly.

Underwriters Laboratories Inc (UL), an independent, non-profit organization testing for public safety, advises keeping the following points in mind when using and purchasing an extinguisher.

FIRE ARE PLACED in three primary categories: Class A (paper, wood, or cloth); Class B (Flammable liquids such as fats and greases, and combustible gases); Class C (energized electrical appliances and equipment).

Though a variety of extinguishers are available for combating each type of fire, the most useful is the multi-purpose dry-chemical extinguisher because it is effective on all three fire categories.

The class or classes of fires on which the extinguisher is effective is clearly marked on the extinguisher nameplate.

The size of the fire the extinguisher can stop also is indicated on the nameplate. The higher the number, the larger the fire which can be put out.

FOR PROTECTION IN the home look for a unit labeled as a multi-purpose extinguisher.

The location of your extinguisher is vitally important.

Always place them in areas where the possibility of fire is the highest: the kitchen; the workshop; the basement; the garage. However, do not place them on or above a stove, furnace, or a similar piece of equipment where an extinguisher couldn't be reached if the device accidentally caught on fire.

Also, make certain that everyone in the household knows the location of each extinguisher.

No matter how prepared you may be for a home fire emergency, UL advises that you first get everyone out of the dwelling; then call the fire department.

PROTECT LIFE—One way to protect your life and property against fire is by stocking a home fire extinguisher to provide an adequate means of defense against fire. Inform each member of the family how to properly use an extinguisher.

People complain about humidity

By ANDY LANG

People have two types of complaints about humidity. There's either too much of it or too little of it.

Most areas usually get too much of it in the summer. Since we're not too far from the season of the year when many of us get too little of it, let's discuss that aspect of it.

How do we know when there's too little of it?

By having a humidiistat in the home is one way. But only a small percentage of houses have them.

THERE ARE other ways to tell when there's not enough moisture in the house.

One is when you walk across a rug and touch a doorknob or metal handle or something similar and are startled by the static electricity you feel.

Another is when you get a dry skin condition known as "winter itch." Or you may feel cool 3ven though the temperature is between 75 and 80 degrees.

Relative humidity is the amount of moisture in the air compared with the amount of moisture which air at that temperature could hold at a certain temperature, the relavive humidity is 50 per cent.

CHANGE THE temperature and you also change the relative humidity, since warm air can hold more moisture than cold air.

Too little humidity is a troublemaker. As the relative humidity of air is lowered, it begins to steal moisture from everything it touches - the furniture, parts of the building, even your body. Wood shrinks, paint cracks, floors separate and crack, paintings check and veneers peel, to name just a few of the results of excessive dryness.

People are more susceptibel to respiratory infections when low humidity dries the mucous membranes lining the nasal passages.

There are differing opinoins about precise necessary humidity levels, but it is generally believed that when the inside temperature is at 70, the relative humidity should be 50 per cent for human comfort.

WHEN IT IS at 71, the humidity should be 40 per cent; at 72, it should be 30 per cent.

How do we correct conditions of too-low humidity? By adding moisture to the air. Grandma did it to a degree by placing pans of water on the radiators when the heat was on.

Today, it is felt that we should add one gallon of water per room per day under most conditions. And the best way this can be done is with a humidifier.

YOUNG ACROBAT — Balancing is one of the countless acrobatic skills taught to the 100 plus performers of Los Muchachos: The International Boys Circus. Here, a young performer practices his skill in anticipation of the show's first North American tour. It opens at Olympia on Friday and continues through Sunday.

Registration is down for fall rec programs

Registrations for the Van Buren Township's Fall Recreation Program are below expectations according to Recreation Director William M. Loyd.

Loyd reminds area residents that the fall-winter programs gets underway on Oct. 1. and said some of the scheduled programs will not be available if registrations do not pick up this week.

Registrations are being accepted at the township hall, 46425 Tyler Rd., from 8 a.m. to 5 p.m. Monday through Friday and from 8 a.m. to 7 p.m. on Tuesdays.

—For your— Entertainment

MANY OF LAST year's classes are being offered again, including: adult physical fitness, karate, square dance instruction, small engine repair, sewing, guitar, scuba, family swimming in the evenings and student open swimming on Saturdays.

The instructional swimming for students has been expanded this year, Loyd said.

New classes offered this year by the recreation department include: adult instructional swimming (which will be for women only the first two sessions), gymnastics (competitive), wrestling for eight to 12-year-old boys, woods and shop, accordion, a greatly expanded dance program and an adult instrumental band class.

Other programs include: basketball for elementary students, golf instructions for adults and for students.

Cider mills open daily

The apple cider season is in full swing throughout Michigan with the majority of 18 cider mills open daily to the public until early in 1974, as compiled by the Automobile Club of Michigan.

Alphabetically, the mills and addresses along with daily hours are: Parmenter's, 714 Base Line Road, Northville, 10 a.m. to 8 p.m. daily; Saline Orchards, 9365 Saline Road, Saline, 9 a.m. to 6 p.m. daily; South Huron Orchard, 38035 S. Huron Road, New Boston, 9 a.m. to 8 p.m. daily; Walker's, 8507 Parshallville Road, Parshallville, 11 a.m. to 5 p.m. Tuesday through Saturday; Wiard's, 5565 Merritt Road, Ypsilanti, 9 a.m. to 5 p.m. daily; Weier, 603 W. 13th St., Monroe, hours not available; and Yate's, 1950 Avon Rd. Rochester, 9 a.m. to 6 p.m. daily.

Nature center building seen as top park draw

One of the most modern Nature Center Buildings in Southeastern Michigan will soon be under construction at the new 1,700-acre Oakwoods Metropark under development near Flat Rock.

The $240,277.00 structure is expected to be a major attraction at Oakwoods Metropark, with public use planned for the fall of 1974, according to William E. Kreger, Wayne County's representative on the seven-member Board of Commissioners of the Huron-Clinton Metropolitan (Park) Authority.

A contract for the building was awarded to the Egan Construction Company of Detroit Sept. 18. Funds for the project were received from the state recreational bond monies approved by the voters of Michigan in 1968 and administered by the Department of Natural Resources in Lansing. Architect for the Nature Center was Jack Weston Yops, of Wyandotte (48192).

THE SITE selected for the nature study area covers 350 acres bordering the Huron River and backwaters of the Flat Rock impoundment which has several bayous, wooded islands and marshlands. This water feature combined with an adjacent fine stand of hardwood trees provides an outstanding site for a nature interpretive area, Kreger said.

The design of the 6,800 square-foot Nature Center Building includes separate rooms for exhibits, lectures to groups by park naturalists, an observation room overlooking the Huron River plus an aquarium, indoor turtle pond, lobby and restrooms. One of the unique features will be a combination lunch and classroom for school groups visiting Oakwoods Metropark, Kreger said.

The main purpose of the Nature Center Building is the orientation of visitors to the interpretive area, he said, both for the general public and school groups so they may better appreciate the natural environment as related to plants and animals and their effect on people.

Initially, three nature trails are planned, with a length of 3½ miles which will guide foot traffic to the important natural features of the area and will be labeled for self-guiding hikes. Also planned are a water-oriented nature trail which can be traversed by canoe and a fourth foot trail to be added later for the use of handicapped persons, Kreger noted.

HAWAII

Captain Cook went to great expense to discover Hawaii.

Captain James Cook, the famous British explorer, spent months battling famine, disease and the elements to sail his two ships to what he later called "the most beautiful chain of islands in the world." He named them the Sandwich Islands. Today, they're known as the Hawaiian Islands after the native word "Hawaii . . . the big island."

You can do it for $421.02 a week, air fare included.*

The famous black sand beach at Kaimue on Hawaii Island

Things change. Now, Braniff International makes it easy for you to spend 7 days and 6 nights discovering Hawaii for yourself. We call it the "Hawaiian Hospitality Holiday" on Oahu Island. And the nicest part is that most of the time, you'll be on your own to explore the quaint shops and soak up the sunshine on Hawaii's famous beaches. Visit Pearl Harbor. Sample fresh pineapple as you tour a plantation. Braniff's "Hawaiian Hospitality Holiday" costs as little as $421.02 per person, based on double occupancy, including air fare and all taxes. Included are accommodations at the Outrigger Surf or Outrigger West at Waikiki just down the beach from Diamond Head, all transfers between airport and hotel, a city tour of Honolulu, all baggage handling and even a complimentary beach bag. The "Hawaiian Hospitality Holiday" is just one of 40 vacations we offer you in Hawaii. Included in one vacation is your own beach condominium. In another, a visit to five of Hawaii's islands.

For more information, call your travel agent or Braniff International at 964-5710 and ask about our "Hawaiian Hospitality Holiday."

Price subject to change and based on 154 tour participants

You'll like flying Braniff Style.

Feeling miserable?

You could have a hidden allergy

Have you been sneezing, but have no other cold symptoms? Do your eyes water even if the sun isn't too bright? Is your headache concentrated around the forehead , eyes, nose area?

You probably have at least one allergy and don't even know it.

You may not be one of some 20 million people not in obvious misery with hayfever eyes and a runny nose — the August to October allergy adrift in the air.

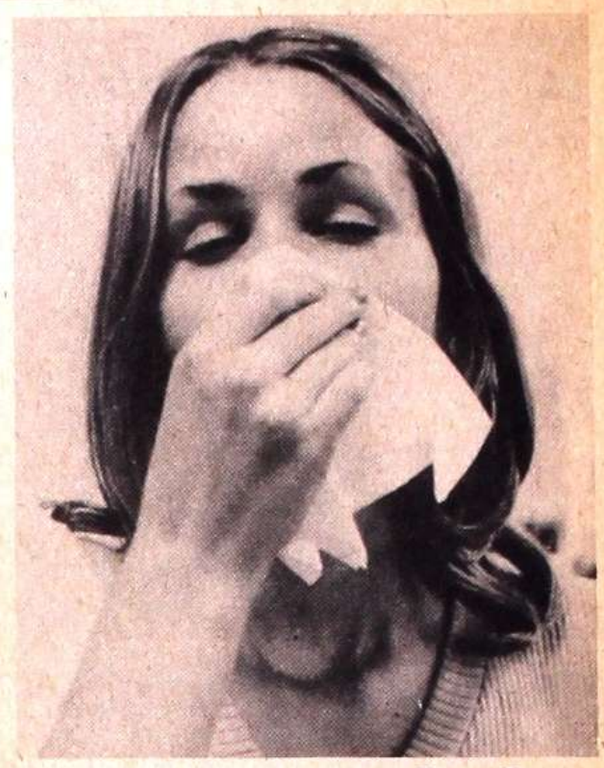
But you may be one of the estimated 100 million Americans who has a mild or unrecognized allergy symptom, or who simply hasn't yet come in contact with that special allergy that can bring about your own personal "misery."

What you're allergic to may lurk in anoth er section of the country waiting to spoil that delayed vacation; it may be some drug or chemical that hasn't yet been marketed, or it may be something that's been around all the time, just waiting for you at a time when you're emotionally upset, there's a change in climate or temperature, or when fatigue, poor nutrition, lack of sleep or an irritating odor lowers your resistance.

Did you know that havfever and asthma rank third in prevalence among all chronic diseases and are the most common causes of disability among school-age children? And for such a widespread disease, allergies are little understood by victims.

The facts were revealed by a recent study made by the Family Economics Bureau of Northwestern National Life Insurance Company, Minneaapolis.

IT WAS DISCOVERED THAT persons with allergies cost employers 184 million days of sick pay annually. Allergy victims spend $235 million a year for medicines, desensitizing injections and throat sprays. Yet, few people with allergies are getting maximum benefit from recent advances in medical knowledge about the causes of allergies and new ways to identify and treat them.



Is it a cold...or an allergy?

WOULD YOU?

Township planners re-appointed

Three members of the Van Buren Township Planning Commission have been re-appointed to new three-year terms by the township trustees.

Serving new terms are township residents Mrs. Betty Jarrett, 44757 Lake Crest; Charles Walls, 11571 Juniper Dr. and Bernard Boyd, 13033 Edgedale.

Other members of the planning commission are Leo Turney, 15995 Elwell Rd., Don Carlson, 45637 Harmony Lane; Mrs. Jean Morris, 17050 Martinsville Rd.; and Stephen Kuchta, 16001 Haggerty Rd.

Area resident to be serving as director

An area resident Dallas Dubke, the son of Mr. and Mrs. Carl Dubke of 18485 Huron River Dr., New Boston, will serve the Lutheran Church-Missouri Synod as a Director of Christian Doctrine.

Dallas' assignment as director of Christian education will be at Good Shepherd, Titusville, Florida. His duties will begin with the fall school term. .

Dubke attended Concordia. During the past academic year, 533 students have received the bachelor of science in education degree and 18 a master in education

From the experts on tailgating:

A FREE tailgate picnic recipe book.

On the highway it's a no-no. But at the stadium on a football Saturday, tailgating is where it's at.

So we've assembled a little tailgate picnic recipe book—guaranteed to take you out of the old "fried chicken syndrome."

If you'll mail in the coupon and let us send you a pamphlet that explains everything we do here at AAA (which happens to be a lot more than just selling insurance or giving out maps), we'll enclose our recipe booklet with it.

We think you'll like what we have to say about TripGuard, car financing, bail bond protection, airline tickets, etc. And we know you'll like the barbequed shish kabob.

☐ Yes, I would like a pamphlet that describes all AAA services, and I would like your FREE tailgate picnic recipe book.

Area woman writes 'God's Handiwork'

A Belleville woman who is 87 recently wrote a poem. She is Mrs. Lillian Bernhardt, 35 First St. Her poem follows:

GOD'S HANDIWORK

There is beauty everywhere,
If one looked around we could see,
The wonderful things God created
For you and for me.

The beautiful sky with its sunsets,
The rainbows of red, yellow and blue
Is a sign of a fair tomorrow,
As the story of old told to you,
That a rain at night is a sailor's delight
And next day will be fair and bright.

Tickets still available for Jaycee golf outing

Tickets still are available for the Romulus Jaycee-sponsored golf outing scheduled for Oct. 5 at the Shady Hollow Golf Course.

Tickets are $20 and entitle bearers to all the golfing, card playing, eating and drinking he can crowd into the 7 a.m. to 11 p.m. day.

As part of the outing, golfers and partiers alike will have a chance at door prizes ranging from $100 for first prize, $50 for second prize, and 20 $10 third prizes.

Information is available by contacting the project chairman, Leonard Folmar, at 941-0666.

Burley gets board post

Michael W. Burley of 1768 Washtenaw St., Ypsilanti, has been elected a member of the board of directors of the Alumni Association of the Lawrence Institute of Technology.

Burley is a 1965 graduate in industrial management and earned his master's degree from Eastern Michigan University in educational administration.

He and his wife, Mary, are the parents of an infant son, Michael. Burley is employed by the Monroe Public Schools.

Jaycees hold bicycle race

A bike race under the sponsorship of the Van Buren Jaycees will be held on Oct. 7 at Victory Park, Huron River Drive and Main Street, Belleville. The first race is scheduled for 1 p.m.

Registration for the bike race will be conducted during the hours of 10 to 11:30 a.m. The race will be on a 10-mile cross country course. Any two-wheel pedal bike is permitted in the race. A safety flag on the bike is mandatory.

The ages for race participation are 12 to 14, 15 to 18 and 18 and above. The entry fee is $2 per bike.

WSU project

Wayne State University's board of governors accepted an $88,000 grant at their September meeting to help fund the WSU Project 350 program, under the direction of James Moore, 27054 Lehigh, Inkster.

Area resident visits family

Mrs. Cynthia (Stephens) Mulenga, a former Romulus High student, has returned to teach in Lusaka, Zambia, after a 45-day vacation with family and friends in Romulus

Mrs. Mulenga received her degree in education from Ferris State College in Big Rapids.

Their safety is questioned

New storm brews on sweeteners

A renewed scientific storm is brewing in Washington over the safety of artificial sweeteners, certain to give pause to diet conscious residents — as well as people all over the country — who like to have their sweets and eat them too.

There is new research indicating that cyclamate — banned four years ago as a cancer-causing agent in animals — was accused falsely.

Saccharin, shoved into the void cyclamate left, stands accused of causing cancer in laboratory animals. Already slightly restricted in use, it too now faces possible banishment from the nation's diet.

BUT HOWEVER the future of the food additives is resolved in the next months, the decisions probably will bring protest from one or another of the special interest groups involved.

Artificial sweeteners are the mainstay of an estimated $1 billion annual food additive industry.

Some consumer advocates are convinced the sweeteners pose sufficient threat to society to warrant banishment, despite new research.

The questions about cyclamate and saccharin safety are similar to those raised in recent years about monosodium glutamate, a flavor enhancer, and nitrite, a meat preservative. They scientists and federaly regulatory officials: how safe is safe enough?

MANY OF THE safety tests for food additives are potentially inaccurate. All are difficult to reproduce exactly from laboratory to laboratory. Most are subject to different interpretations by experts.

Producing a response to a food additive in a test animal often requires a dose hundreds or even thousands of times greater than normal human consumption.

In a typical study, cyclamates made up 7.5 per cent of the entire diet given to rats. To consumer that amount of cyclamate, a human would have to drink several hundred bottles of a soft drink each day.

Mothers-to-be enroll at hospital class

A total of 29 mothers-to-be have enrolled in Annapolis Hospital's sixth teaching course for expectant mothers according to Walter S. Wheeler, hospital administrator.

The course is a public service of the Peoples Community Hospital Authority (PCHA), and it is offered four times each year.

Mrs. Ann Harkins, R.N. is the instructor. Mrs. Harkins, who is the head nurse in the delivery room during the afternoon shift at Annapolis, is a graduate of Detroit Pershing High School and Wayne State University where she earned a B.S. in Nursing in 1964.

"WE TEACH basic anatomy, fetal development, nutrition, pre and post-natal exercises, anesthetics, breast feeding, and baby care and bathing," said Mrs. Harkins.

"In addition," she continued, "the women are taken on a tour of the labor and delivery areas and the nursery. They are also shown a movie of an actual birth. With these adjuncts to the bookwork sessions, the women have an informed concept of both the birth process and the hospital facilities."

Mrs. Harkins has been with PCHA at Annapolis Hospital for two years. Her prior experience includes service with the Visiting Nurses Association and work at Garden City Osteopathic Hospital.

THE COURSE lasts for six weeks and is taught from 10:00 a.m. to noon on Saturday morning at Annapolis Hospital.

The next course will begin in late October or early November. Details regarding enrollment will be released three weeks prior to its start.

Its 17th college

MSU will offer urban program

Michigan State University (MSU) will open the doors to its 17th college this fall.

Believed to be the first of its kind in the United States, MSU's new College of Urban Development will offer a series of courses emphasizing problems of urban living and racial and ethnic studies.

The new college extends the land grant tradition, pioneered by MSU at its founding in 1855.

GRADUATES of the new college will be prepared to help solve the pressing problems of the cities and areas of concern resulting from racial and ethnic discrimination and prejudice.

"A dedication to the eradication of urban problems must permeate university courses and field work," said Dr. Robert L. Green, acting dean of the newly formed college, "so that when the urban student leaves the university, he will continue his dedication to the poor community and to the creation of a better society."

The courses for the college have been modeled on this philosphy.

The urban program has been divided into two major parts — the Department of Urban and Metropolitan Studies and the Department of Racial and Ethnic Studies.

URBAN AND metropolitan students will have a choice of three major areas of study: urban health science, urban education systems and urban community development.

The new college grew out of the MSU Center for Urban Affairs, a nondegree-granting academic unit of the university, which was created in 1969. The center will continue to work with the new college at this time.

Sheriffs seek info on slaying

Information about the shotgun slaying of a Romulus man is being sought by the Wayne County Sheriff's Department out-county detective unit.

Charles W. Curtis, 40, of 36310 Beverly Rd., Romulus, was fatally wounded while standing outside a drug store on the 6500 block of S. Wayne Rd. last Friday night.

Police said a man walked up to Curtis, drew a shotgun and pulled the trigger. He was described as a black man, about 22-years-old, of medium height and build.

The man sped away in a car after the shooting, police said.

Dective Thomas Sheedy said persons with information about the killing should contact him by either writing an anonymous communication or making an anonymous telephone call to the sheriff's department, 3100 Henry Ruff Rd., Westland, 721-2222.

Residents invited to football contest

Romulus residents are invited to stop by the Romulus Senior High School football field, Saturday at 10 a.m. to watch the city's annual punt, pass and kick competition.

Boys and girls aged eight to thirteen will be attempting to show their skills at football during the day, in an effort to qualify for regional, and possibly state and national competition in the annual Ford Motor Company-sponsored contest.

Offered through the contest are scholarships and awards for the youngsters who combine accuracy and distance indemonstrating their prowess in punting, passing and kicking a football.

Senior club plans meet

The Belleville Senior Citizens Club will meet at 6:30 p.m. tomorrow at the Edgemont Elementary School, 125 Edgemont St., Belleville, for the club's harvest potluck buffet supper.

The mayor and city council members and their wives will be honored guests.

The club officials also announced that the usual programs of weekly meetings will continue at the school with the following format:

On the first Thursday of the month birthday and wedding anniversaries of members will be celebrated. On the second Thursday, bingo and other games. On the third Thursday, games, music and program with a possible speaker.

Dearborn	0	1

Last Week's Scores
Belleville 7, Bentley 0
Edsel Ford 14, Plymouth 7
Trenton 46, Dearborn 14
Allen Park 21, Redford Union 15

By DALE GOWING

Keith Emerson hopes his Belleville Tigers have honed down the rough edges and corrected their weaknesses in their first two nonleague football games, because starting Friday, everything is for keeps.

Belleville travels to Redford Union in a clash of two of the top teams in the mighty Suburban Eight Conference, and the Tiger coach hopes his offense can play as well as his defense did in its latest outing.

"We have to play well both ways against Redford," noted Emerson. "A victory against them could springboard us into a real successful season."

AN OVERALL strong defense, highlighted by two key interceptions, opened the door to the Tigers' slim 7-0 victory over Livonia Bentley Friday at Belleville, as the hosts extended their winning record to 2-0 after a season-opening defeat of Dearborn Heights Robichaud.

Led by the running of halfback Perry Dingman, who carried the ball eight straight times for 49 yards in Belleville's only scoring drive, the Tigers marched 53 yards in nine plays early in the fourth quarter and scored on Dingman's three-yard burst through the middle.

Joe Stillwagon booted the extra point for seventh and final point of the night.

Bentley ventured as far as Belleville's 13 and 20 yard lines in second half after being totally stymied by the Tiger defense in the first two quarters. But interceptions by Bruce Ford and Mark Verrot squelched Bentley's scoring attempts.

BELLEVILLE LIKEWISE reached Bentley's 19 earlier in the game, but lost the ball on downs and failed on a 23-yard field goal attempt on another occasion.

Verrot's interception came after Belleville scored and kicked to Bentley, which marched from its own 30 to the hosts' 20.

"It was a real defensive

(Continued on Page B-2)

TAILGATING — Closing in fast on Romulus quarterback Brad Smith (14) is a would-be Detroit Thurston tackler who got his mitts on the speedy signal-caller but failed to stop him. However, Smith couldn't get the Eagles on the scoreboard as they dropped their second straight game 31-0. Coach Jim Stallings, still searching for his initial victory as Romulus' head football coach, is shaking up his lineup for Friday's confrontation with Ecorse.

Sports Meridian

Due process is denied Robichaud

By TOM MOORADIAN

There's something in this country's judicial system called "due process", and it's one of the many safeguards citizens have to protect their rights.

Take away that "due process" and you will have totalitarianism and even anarchy, maybe revolution.

You just don't take away a man's rights, convict him; and railroad him off to a jail without some sort of repercussions. Not in this country, anyway.

OWEN SUDMAN

The reason the subject of "due process" was brought up today is because of an article I read in one of the other newspapers. The story stated that Robichaud, because of a disturbance at a basketball game at Ecorse High last February, was placed on a one year probation.

THE ARTICLE, in part, read: "Dearborn Heights Robichaud has been slapped with a one-year probation for its conduct during a basketball game at Ecorse last season. There was a disturbance among the students sitting near the Robichaud bench toward the end of the game. While an attempt was being made to eliminate the problems, the Robichaud team left the court and refused to play. The officials forfeited the game to Ecorse."

Since it was too late to contact Al Bush, head of the Michigan High School Athletic Association, last night and say, "You guys must be kidding, Al." I did get a man who was right in the midst of the above described controversy, Owen Sudman.

"The decent thing for them (MHSAA) to do I feel was to call me and let me tell our side of the story," said Sudman after learning of the probationary status of the school. "If that is so, they have convicted us without due process. They have none of the facts that I, as coach, have to offer.

"I can say this much that our high school officials thought I did the right thing when I asked the team to leave the floor. It was for my team's safety that I did this."

ROBICHAUD was leading Ecorse by one point with a couple of seconds remaining when two of the Dearborn Heights players who were seated on the bench were struck from behind by fans. One was hit in the back, the other in the face.

Sudman said he asked the referees to do something about the situation and one replied, "I didn't see it; so I can't do anything about it," according to the Robichaud coach.

Sudman then said he ordered his team off the floor and into the lockerroom. After waiting for Robichaud to return for five minutes, the officials declared the game a "forfeit" and awarded the decision to the host.

"There wasn't any police protection in the gym, anyway I didn't see any," continued Sudman, "so I figured for all those concerned, it was best to leave the floor.

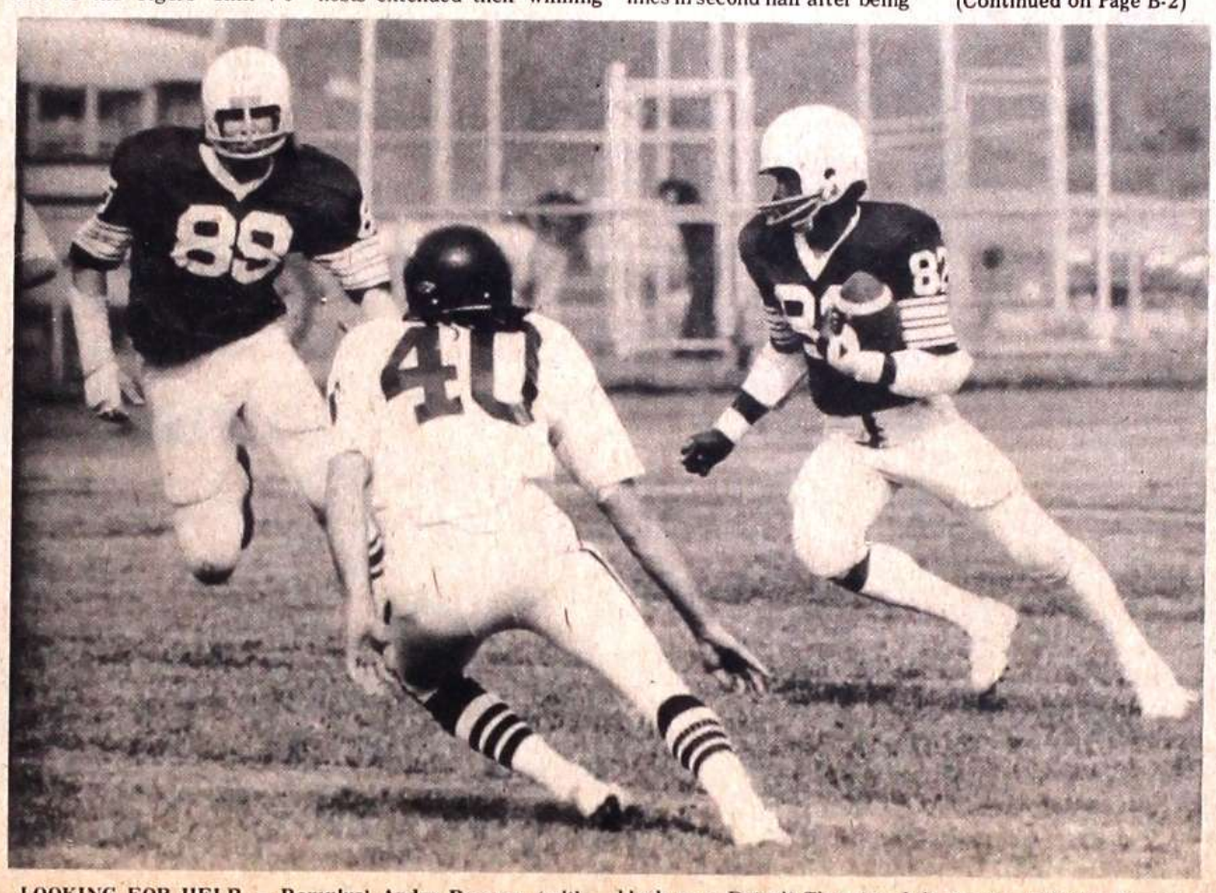
"And if I had to do it all over again, I would do the same thing under those same conditions and circumstances," he added.

Sudman resigned as head coach after the season and the team will be coached by ex-Robichaud cage star Francis McCauley.

What it all comes down to is that the MHSAA apparently tried and convicted Robichaud and its coach without getting the entire story. And you don't need a Perry Mason to know that that's "bad."

The MHSAA "sentence" - probation for a year — means that Robichaud is being warned to avoid such incidents in the future. It isn't a stiff penalty — on the surface.

But, anything that is unjust is a slap at one's integrity, therefore, must be fought.



LOOKING FOR HELP — Romulus' Andre Parsons (with ball) sidesteps the issue while awaiting for help from teammate George Sedlacek (89) who's rushing in to put a block on a Detroit Thurston defenseman. Despite Parsons stellar performance - he accounted for 109 yards in punt returns and rushes - the Eagles bowed to their visitors 31-0.

Stallings revamps team

Eagles suffer another shutout

Romulus head football coach Jim Stallings this week threatened to shake up his lineup "with people who will do the job" after the Eagles suffered their second straight shutout.

The Eagles fell to Detroit Thurston 31-0 before a disappointed home crowd last Friday.

"There's going to be a shake up right down the line," said Stallings who is in his first year as the head coach. "Either we're going to get kids in there that will give 100 percent, or we go with the underclassmen.

"I want ball players who want to play ball," Stallings added.

But if there is to be a complete shakeup of personnel, you can bet the hardest hit will be the Eagles' secondary which was the target for Thurston's Gary D'Ascenszo.

THE SENIOR quarterback picked Romulus' secondary apart last week, hitting on touchdown passes of eight, 65, 24 and 83 yards. The "one-man team" also booted the four extra points and kicked a fourth quarter field goal.

"Our linebackers and defensive line did the job on them," continued Stallings, "so they went to the air. And the results were disastrous for us. We're going to have to make some big adjustments back there if we're going to get this ball club moving."

There were some bright spots in Romulus' game, however. And one of those was the performance of Andre Parson who had the chore of running back punt returns. He amassed 96 yards in that role. Also Mike Hunter stood out as a linebacker, cutting down eight unassisted tackles and two assists.

"But our running game just has'nt jelled yet." said the Romulus coach, "and we're hoping that Smith (Bradley) who was out a week with an injury will be back, at full strength this week."

ROMULUS will attempt to break its two game losing streak and present its new coach with his first win at the expense of Ecorse. However, the highly-touted Red Raiders may have other ideas since they too are looking for their initial triumph.

"Ecorse is an explosive sort of ball club," said Stallings, "they lost their opener a couple of weeks ago and because of the teachers' strike in Detroit were forced to scrimmage Murray Wright instead of playing an official game.

"They can throw the ball well and have a good tailback, so we can expect a very good ball game," Stallings said.

There is another enlightning aspect to the game: With the Romulus teachers' strike over - it was settled last week - the students and the players won't have that controversy hovering over their heads.

Tigers waste Conrad's efforts

Belleville High's Ed Conrad strode to a winning time of 16:36 over a three-mile course and was followed by four other Tigers in the first 10 places, but Belleville still lost a narrow suburban '8' Conference cross country decision to Redford Union, 26-29, last Thursday at Eastern Michigan University.

Conrad, a junior, sped to victory ahead of Mike Yonge (third), Charles Greca, (seventh), Doug Hall (eighth) and John Szlinis (tenth).

The loss, absorbed in the absence of ace runner Randy Block who is out with a sprained foot, evened Belleville's season record at 2-2. The Tigers' other loss was to Livonia Bentley, while defeating Ypsilanti and Riverview.

"I WOULD say we're coming along real well," surveyed Coach Bob Boudreau. "Some injuries set us back record-wise, but we seem to be overcoming them in good shape."

The Suburban Eight Conference, of which Belleville is a member, decides its league cross country champion in one

(Continued on Page B-2)

Vandermass wins golf tournament

Fighting strong winds, Bill Vandermass of Belleville put together rounds of 75 and 85 for a 16-over-par 160 to capture the inaugural Knob on the Lake Golf Tournament.

Vandermass' score was one stroke better than tournament runnerup Bob St. Clair who had rounds of 81 and 81. The champ won the title on the last hole.

"The scores were quite high," said Doug Erb, the pro at Knob on the Lake. "It was unusual that such a high score should win it."

IN THIRD place was Jim Way, who pulled in with a 85 the first day and came back with an 87 the second.

First flight trophy winners included Steve Nelson who had a couple of 91s for 182, Terry Stanton was runnerup with 189 and Stan Bzon finished with 191.

In the second flight, Walter Kirkpatrick's 188 was the top score. There was a two-way tie for second with Ron Pizzi and Ron Smith both shooting 199s.

In the battle for the handicap title, Nelson won it with a 139, five under par.

Tigers win 2 straight

(Continued from Page B-1)

battle," analyzed Tiger line coach Tom Fielder. "It was wet early because of some rain then in the second half everybody was playing cautious football more or less."

Emerson credited the entire defense, and particularly linebacker Art Myers, with paving the way to victory. Myers made 10 primary tackles and had six assists.

"DINGMAN, TOM VASIK, Matt Byrnes, Dave Dapsi and Ford all played well offensively too," added Emerson.

The rain kept Belleville's passing to a minimum as quarterback Gary VanBuhler went 0-for-2. Bentley, however, had a great deal more success through the air, completing five of 11 tosses for 121 yards, despite the two interceptions.

Bentley outdistanced Belleville in total yardage, 201 to 174, as Belleville got all its yardage on the ground. Bentley's rushers were less successful, however, gaining only 80 yards.

Belleville had nine first downs to Bentley's eight.

Belleville, Edsel clash

(Continued from Page B-1)

meet in late October, therefore making season dual meets inconsequential to the league standings.

"We're peaking for that league meet," informed Boudreau. "That's the one day that really counts. We don't peak at all for these dual meets."

Belleville's team is at home tomorrow at 4 p.m. versus Dearborn Edsel Ford at Cass Benton Park.

Monroe blanks Huron

In defeat there are usually some bright spots. And, though New Boston Huron took it on the chin again last week, this time Monroe Catholic Central providing a 22-0 punch, Coach Jim Rossow noted a marked improvement in his team's performance.

"We were a lot better against Monroe than we were in our opener with Milan," said the Chiefs' mentor. "Our offense mounted some drives and, defensively, we're also coming along.

"A couple of turnovers cost us the touchdowns," he added.

HURON will be out Friday night to try to snap a two-game losing streak at the expense of league rival, Carlson. Carlson will host this second league game.

"Carlson has a big and strong team this year," said Rossow, "we will need a flawless performance both on defense and offense to beat them."

Huron miscues led to Monroe's TDs. A bad snap from center gave Monroe the momentum for its second quarter score and a fumble set up the winner's fourth quarter tally.

Monroe put eight points on the scorebaord in the first quarter and has a 14-0 halftime edge. In the third quarter, the Chiefs nearly got back in the ball game when quarterback Tim Hinojosa engineered a drive that took the team from their own 15-yard line to the Monroe three where thy obligedly fumbled the ball over to their visitors.

"If we had taken it in," related Rossow, "then the score could have been 14-6 or 14-8 and it would have been different picture. We had our chances but just couldn't seem to capitalize upon them."

Richard St. Bernard scored the first Monroe TD on a two-yard run a a 40-yard pass from Jim LaPointe to John Giarmo accounted for the second score. John LaBeau's five-yard run gave the Monroe contingent its fourth quarter score.

MONROE held Huron to a total of 115 yards, 95 of those from Hinojosa's eight of 25 passing game. Jake Craaven rushed 25 yards in five chances.

Huron tackles Bill Grover and Kevin Cole and Hinojosa, a safety, generated much of the enthusiasm in the Chiefs' defensive unit.

"But we need to get more offense," said Rossow whose Chiefs have now gone eight quarters without crossing the enemy goal line. "To win you have to score touchdowns. That's the name of the game."

Little League results

The Romulus Flyers football teams captured two of three games Sunday in Western Suburban Little League action.

The Flyer freshmen trimmed the Westland Jets, 14-13, and the junior varsity won 19-12, but the varsity fell to the Jets, 13-0.

The three Romulus teams' records stand at 2-1.

The Belleville Cougar varsity squad was the only Cougar team that could score on the Northville Colts Sunday, but lost anyway, 13-7, in Junior Football League action at Belleville High School.

Sam Cornett's 65-yard pass to Herb Coats accounted for the varsity's score, as the junior varsity deadlocked with Northville's jayvees, 0-0, and the Cougar frosh bowed, 6-0.

Panax names director

The Enterprise - Roman Lansing Bureau Chief Don Hoenshell, has been named editorial director for the 44 Panax Corporation Newpaper group.

Hoenshell will be succeeded in Lansing Oct. 1 by Bob Berg, former chief of the United Press International (UPI) capitol bureau.

Panax President John P. McGoff said the changes "reflect a deep dedication of our newspapers to editorial quality at a time in history when it is critical to our readers and in an economic state when it is necessary."

Panax Corp., headquartered in East Lansing, publishes eight dailies and 36 weeklies in Michigan, Illinois, Indiana and Florida. Newspapers include The Daily Eagle, The Belleville Enterprise and The Romulus Roman.

During his 30-year newspaper career, Hoenshell has worked for The Alpena News, Midland Daily News, Lansing State Journal, Detroit News, Observer Newspapers in suburban Detroit and Panax.

Berg, 30 covered the state capitals in Des Moines, Iowa, and Lincoln, Neb., before heading the Lansing UPI bureau the past 4½ years.

Sen. Faust to attend conference

Senator William Faust (D-Westland) is taking part in the National Legislative Leadership Conference in Seattle, Wash.

The appointment of Faust to attend the conference was made by Senate Democratic Leader George S. Fitzgerald. Faust will serve on two panels and represent Democratic Floor Leader Coleman A. Young, who recently was nominated for mayor in the City of Detroit.

The conference is composed of state legislative Leaders from all of the states.

Area scouts hold hayride

Cub Scout Pack 754 sponsored by Quirk Elementary School in Belleville will hold a hayride from 5 to 8 p.m. at Upland Hills on Oct. 6.

Included with the hayride is a supper for adults and other children of cub scout families costing $2.50. Refreshments for cub scouts will be paid for by the pack.

For further information, call Margaret Feltman at 697-4584.

Resident gets scholarship

An area resident recently received a scholarship for the fall term from the University of Michigan College of Engineering.

She is Bonnie Kay Burger, 55 E. Spencer, Belleville.

AUTO LOANS

The new 1974 cars are here. If you've got new car fever, WSB wants to help you. We'll finance that new car for you — fast and easy — and at low WSB bank rates. In fact, to the best of our knowledge, we have the *lowest* auto loan rates in the area.

Wyandotte Savings Bank likes to finance new vehicles. We've been doing it since 1871 for your father, your grandfather and your great-grandfather. We know you don't want to face long delays and cumbersome red-tape when you see us. So we make auto financing as simple as we can.

Just pick out the car you like and tell the dealer you want it financed at Wyandotte Savings Bank. Or if you prefer, you can arrange the financing yourself at any WSB office. Either way, you'll get low WSB auto loan rates. And before you know it, you'll be driving off in your new '74.

Since 1871, Wyandotte Savings Bank has made it a tradition to help people who need money.

CARROLL RIGHTER'S HOROSCOPE

Tomorrow's Forecast from the Carroll Righter Institute

GENERAL TENDENCIES: Early hours presend a considerable number of delays. Later, sudden and startling conditions change the tempo, so you need to watch for both influences and sidestep early depression and later breaking up of doubt and uncertainty in a dramatic fashion.

ARIES (Mar. 21 to Apr. 19) Show tact at home and avoid some possible serious argument. Then get out to meet one for a fine business deal. Drive with care. Use a more direct approach with others.

TAURUS (Apr. 20 to May 20) Don't try to make radical changes in job or work or you could get into real trouble. A co-worker may be difficult early, but later is helpful.

GEMINI (May 21 to June 21) Think, and avoid some financial bind. Making a big bill could really get you behind the eight ball.

MOON CHILDREN (June 22 to July 21) Do your work efficiently early, then meet with good friends; invite them to your home. Handle personal affairs well. Don't spend too much.

LEO (July 22 to Aug. 21) Keep steadfast at your work and don't try to avoid responsibilities. Get wardrobe in order. Sociability good in p.m.

VIRGO (Aug. 22 to Sept. 22) Concentrate on personal desires early, then handle financial affairs well. Find ways to increase income. Steer clear of one in a bad humor.

LIBRA (Sept. 23 to Oct. 22) Important to carry through with what higher-ups want of you in a.m., then join good friends for pleasure. Pay bills. Don't stay out too late.

SCORPIO (Oct. 23 to Nov. 21) Do something quickly about fine new ideas and avoid getting off on tangents. Use willpower. Romance favored in p.m. Show tenderness.

SAGITTARIUS (Nov. 22 to Dec. 21) Don't permit a flighty associate to upset you in a.m. Attend social affair later. Get out from under that tense public situation. Devote p.m. to kin.

CAPRICORN (Dec. 22 to Jan. 20) Don't force associate to do something or you meet stiff opposition. Win support of some influential person later. Social life favored in p.m.

AQUARIUS (Jan. 21 to Feb. 19) Complete work quickly then investigate new interests. A co-worker has a good idea that should be followed, even though you may not think much of it at first.

PISCES (Feb. 20 to Mar. 20) It is best that you get much work done during day; use a better system. Enjoy companionship of mate in p.m. Find ways to cut expenses. Control your temper.

'F YOUR CHILD IS BORN TODAY . . . he or she will be one of those young people who will receive many hard knocks early in life because of the stubbornness in this nature, but later learns much from them and the life becomes an industrious, happy, successful one after cooperation with others is learned. Any profession requiring neatness and exactness is fine here. Give as much education as your child will take. Be careful of the diet.

"The Stars impel, they do not compel." What you make of your life is largely up to YOU!

Carroll Righter's Individual Forecast for your sign for October is now ready. For your copy send your birthdate and $1 to Carroll Righter Forecast (name of newspaper), Box 629, Hollywood, Calif. 90028.

Huron school board schedules hearings on operating budget

The Huron school board has scheduled a hearing on the district's proposed operating budget for the 1973-74 school year at 7:30 p.m. Oct. 15.

The hearing will be conducted at the school district's administration offices located at Huron Elementary School, 2480 Huron River Dr., New Boston.

In other matters before the school board at its recent meeting, the board:

—authorized the taking of sealed bid proposals for the installation of fencing around the school bus yard and the installation of lighting in four room at the Riverside Elementary School.

—ordered a review by two board members, Carl Rush and Leo Kyko, of bid proposals for the installation of a sewer at the New Boston Elementary School before publication.

—appointed Rush and Lincoln Ward II as voting delegates to the Michigan Association of School Boards (MASB) convention scheduled Oct. 2-4. Alternates named were L. Charles Larabell Jr., and Lee Betz.

—approved a continuance in the area vocational program participation in co-operation with other school districts.

—approved the adoption of proposed athletic program policies with a provision that they be reviewed in 30 days and revised if there has been any input from interested partie

VAN BUREN TOWNSHIP
NOTICE of BID

Sealed bids will be received in the office of the Township Clerk, 46425 Tyler Road, Belleville, Michigan until 7:00 P.M. October 9, 1973. Bid proposals will be publicly opened and read at the Regular Meeting of the Van Buren Township Board, October 9, 1973 on the following:

"A building addition to the Township Hall offices."

Prints will be available at the Township Clerk's office after September 26, 1973.

The right is reserved to reject any and all proposals and to waive technicalities. Proposal guarantee in the amount of five (5 per cent) per cent of the bid will be required.

Pat Cullin, Clerk
Township of Van Buren

9. Motion by Oakley, supported by Stewart, that the City Tax Assessor be directed to investigate feasibility of procuring tax relief forms for Senior Citizens of the City of Romulus. Roll call vote showing: Ayes - Bizek, Block, Oakley, Stewart, Edwards, Pennington, Raspberry. Nays - None. Motion carried unanimously.

Motion by Bizek, supported by Block, that the Chairmans Report be accepted. Roll call vote showing: Ayes - Block, Stewart, Oakley, Edwards, Pennington, Bizek. Nays - None. Abstain - Raspberry. Motion carried.

73-632

10a. Motion by Stewart, supported by Block, that the Mayor and Clerk be authorized to execute agreement between the City of Romulus and the Board of Wayne County Road Commissioners for the operation and maintenance of a 15" storm sewer connecting a manhole opposite Joan Street on the West side of Inkster Road and outletting southwesterly to a storm sewer facility located on Murphy Detroit Terminal property, said facility ending at the Ecorse Creek. Said entire drainage facility to be constructed by the proprietor of Murphy Detroit Terminal, and that portion in Inkster Road right-of-way will be constructed under permit issued by the Board of County Road Commissioners to the proprietor and his contractor. Roll call vote showing: Ayes - Bizek, Block, Oakley, Stewart, Pennington, Edwards, Raspberry. Nays - None. Motion carried unanimously.

73-633

Motion by Oakley, supported by Pennington, that pursuant to Chapter I, Article 9, Section 9.5(b), notice is hereby given of the City Council's intent to amend the 1973-74 City Budget as follows:

101-850-740	Operating Supplies	$3,500.00
101-850-818	Contractural Services	4,225.00
101-850-850	Communications	1,660.00
101-850-870	Mileage	600.00
101-850-920	Utilities	2,000.00
101-850-931	Building Maintenance	5,640.00
101-850-941	Rent	4,000.00
101-850-977	Capital Outlay	1,000.00
		$22,625.00

Said funds allocated for Economic Development and Assistance (Drug Abuse and Use Program) Account. Roll call vote showing: Ayes - Bizek, Block, Oakley, Stewart, Pennington, Edwards, Raspberry. Nays - None. Motion carried unanimously.

73-634

Motion by Oakley, supported by Block, that the Mayor be authorized to enter into agreement with the Wayne County Sheriff Department for the addition of one (1) patrol unit; further, that the Clerk be directed to submit written notification to said Department of Council action. Roll call vote showing: Ayes - Bizek, Stewart, Edwards, Pennington, Block, Oakley, Raspberry. Nays - None. Motion carried unanimously.

73-635

Motion by Stewart, supported by Oakley, that Resolution 73-635 (Commendation of Clayton Meldrum) be adopted.

RESOLUTION 73-635

WHEREAS: The City of Romulus is a municipal institution conceived exclusively to service the needs of citizens living within its boundaries; and,

WHEREAS: The Building Department of the City of Romulus is charged with the responsibility to service the needs of citizens throughout a municipality involving themselves, however, with different forms of construction; and,

WHEREAS: Construction endeavors of citizens most often involve emotional, personal, and social needs, it is therefore imperative that all employees be capable of dealing with these personal, emotional, and social needs; and,

WHEREAS: Mr. Clayton W. Meldrum, Chief Building Inspector for the City of Romulus from February 8, 1971 to August 31, 1973 did exemplify, throughout his tenure with the City, the goals and objectives set by the City and certainly its Building Department.

NOW, THEREFORE BE IT RESOLVED: That the City Council on behalf of the City of Romulus does, herewith, bestow upon Mr. Clayton W. Meldrum, commendation of the highest degree for his outstanding service to the City of Romulus.

BE IT FURTHER RESOLVED: That a copy of this resolution be forwarded to the Board of Education for entry to his personnel file.

Roll call vote showing: Ayes - Bizek, Block, Oakley, Stewart, Pennington, Edwards, Raspberry. Nays - None. Motion carried unanimously.

73-636

Motion by Oakley, supported by Bizek, that pursuant to Chapter I, Article 7.3(a) (City Charter), Chapter X, Article 8 (Curfew Ordinance) is hereby introduced. Roll call vote showing: Ayes - Edwards, Pennington, Stewart, Oakley, Block, Bizek, Raspberry. Nays - None. Motion carried unanimously.

73-637

Motion by Pennington, supported by Oakley, that the request of the City Engineer for addition of following streets to the 1973 City of Romulus Road Stabilization and Resurfacing program be granted:

a. Westvale from Cogswell to its west terminus. (Estimated cost $12,600)

Roll call vote showing: Ayes - Bizek, Block, Oakley, Stewart, Edwards, Raspberry. Nays - None. Motion carried unanimously.

14. Motion by Bizek, supported by Block, that the meeting be adjourned. Roll call vote showing: Ayes - Edwards, Stewart, Oakley, Block, Bizek, Raspberry. Nays - None. Motion carried unanimously.

Respectfully submitted,
Leonard J. Folmar, Clerk
City of Romulus

I, Leonard J. Folmar, Clerk for the City of Romulus do hereby certify that the foregoing is a true copy of the minutes of the Regular Meeting of the Romulus City Council held on the 13th day of September, 1973.

Leonard J. Folmar, Clerk
City of Romulus

Romulus has 'higher' number of problems

Romulus has a higher than average number of social problems, according to a report prepared by the United Community Services (UCS), a Torch Drive funding agency.

According to the report prepared from 1970, U.S. Census statistics, Romulus has an "above average" number of unemployed, young males without jobs and out of school, families below the poverty level in income, disrupted marriages and children without both parents.

The report also indicated the community has an average number of incomplete families.

Findings in the report were drawn from a survey of U.S Census statistics from the 1970 census of 179 Metropolitan Detroit communities, including 59 sub-communities in Detroit.

Findings in the report are used to determine the need of social services by the UCS.

SUMPTER TOWNSHIP
NOTICE OF PUBLIC HEARING

A meeting will be held Thursday September 27, 1973 at 4:30 p.m. in the Township Hall located at 23483 Sumpter Road, Belleville, Michigan. Purpose of granting or not granting a variance on the following described property. Located at the corner or Rawsonville and Willis Road.

DESCRIPTION OF VARIANCE

A parcel of land located at the northeast corner of Willis Road and Rawsonville Road, and being part of the Southwest ¼ of Section 6, Town 4 South, Range 8 East, Sumpter Township, Wayne County, Michigan, and being more particularly described as follows:

Beginning at the southwest corner of Section 6, and proceeding thence along the west line of Section 6, due North, a distance of 214.50 feet to the point of beginning of the parcel herein described:

Thence continuing along said west line of Section 6, due North, a distance of 33.12 feet to a point;

Thence N. 88 degrees 11'30" E. along the line described by the Tax Statement No. 81 023 99 0010 000 Description, a distance of 16658 feet to a point;

Thence due south along the line described by the above-mentioned Tax Description a distance of 253.93 feet to a point on the south line of Section 6;

Thence No. 89 degrees 38'10" W. along the said south line of Section 6, a distance of 1.50 feet to a point;

Thence due North along the line described by the Title Insurance Policy Description, dated July 14, 1972, Case No. D-198148, a distance of 214.50 feet to a point;

Thence N. 89 degrees 38'10" W. along the line described by the above-mentioned Title Insurance Policy, a distance of 165.00 feet to the point of beginning of the parcel herein described.

Clarence J. Hoffman, Jr.
Sumpter Township Clerk

CITY OF ROMULUS
ORDINANCE

CHAPTER IV, ARTICLE 1.11

AN ORDINANCE TO AMEND THE OFFICIAL ZONING ORDINANCE OF THE CITY OF ROMULUS, BY ZONING A PORTION OF M-1 (LIGHT INDUSTRIAL) TO RM (MULTIPLE FAMILY); AND A PORTION OF C-1 (LOCAL BUSINESS) TO RM (MULTIPLE FAMILY).

WHEREAS: The City of Romulus deems it in the best interest of the City and its citizens to amend the Official Zoning Map of the City of Romulus.

THE CITY OF ROMULUS ORDAINS:

Section 1. Short Title: City of Romulus Amended Zoning Ordinance.

Section 2. The Official Zoning Map of the City of Romulus is hereby amended to rezone from M-1 (Light Industrial) to RM (Multiple Family) that part of the NE ¼ of Section 8 described as beginning at a point on the East line of said section distant north 883.10 feet from the east ¼ corner of Section 8 and proceeding thence N 88 degrees 06'20" west 2600.82 feet to the East line of the Chesapeake and Ohio Railway right-of-way; thence north 00 degrees 21'50" east along said line 454.85 feet; thence south 88 degrees 15'0" east, 1240.01 feet; thence south 01 degrees 19'10" east 484.95 feet; thence south 88 degrees 12'10" east 1357.09 feet to the point of beginning.

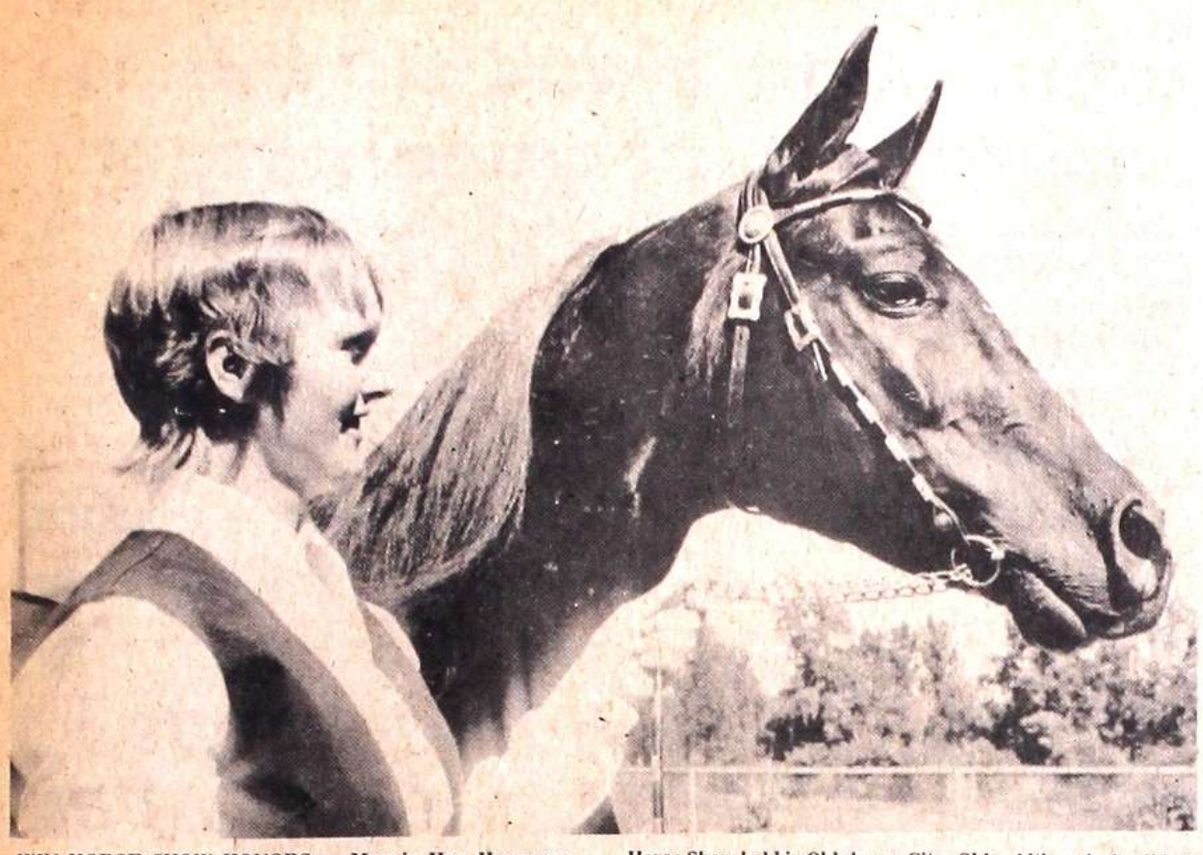
Section 3. The Official Zoning Map of the City of Romulus is hereby amended to rezone from C-1 (Local Business) to R, (Multiple Family) that part of the NE ¼ of Section 8 described as beginning at a point on the East line of said Section distant north 883.10 feet from the east ¼ corner of Section 8 and proceeding thence north 88 degrees 06'20" west 450 feet; thence north 01 degrees 19'10" east 429.64 feet; thence south 88 degrees 12'10" east 450 feet; thence south along said line 429.64 feet to the point of beginning.

Section 4. Effective Date: This ordinance shall take immediate effect upon publication in the Official Newspaper.

I, Leonard J. Folmar, Clerk for the City of Romulus do hereby certify that the foregoing is a true copy of an ordinance adopted by the Romulus City Council at their regular meeting held on the 13th day of September, 1973.

Leonard J. Folmar, Clerk
City of Romulus

ATTEST:
Hyle J. Carmichael, Mayor



WIN HORSE SHOW HONORS — Margie Hay Herrmann, 14170 Huron River Dr., Romulus and the horse, 'Al Marah Kontiki," a purebred Arabian stallion, recently participated in the Arabian and half-Arabian U.S. National Championship Horse Show held in Oklahoma City, Okla. Although she didn't walk away with any awards, horse experts say just being in the U.S. National Championship Horse Show is an honor. Enterprise-Roman photo.

Romulus entry makes finals of U.S. National horse show

In her first competition at the U.S. National Championships Arabian Horse Show recently held in Oklahoma, Margie Hay Herrmann, 26, of Romulus made the final competition in the mounted native costume stallion stake class.

Mrs. Hermann, the daughter of Mr. and Mrs. Frederick Hay of 14170 Huron River Dr., Romulus rides for the family farm--Zephyr Arabians. She was awarded a maroon and gray rosette ribbon for her endeavors in the finals. Earlier, Margie made the top 10 in her division to make her eligible for the finals.

She rode "Al Marah Konitki," a purebred chestnut stallion, who has proven himself a champion in halter classes. He was born and first trained at Al Marah Farms in Virginia, the world's largest Arabian horse breeding ground.

More than 1,000 champion Arabians from the United States and Canada participated in this seventh annual U.S. National Championships, which is sponsored by the International Arabian Horse Association and the Oklahoma City Chamber of Commerce.

Margie is an accomplished rider, having earned many county and state 4-H honors prior to competing in "Class A" shows throughout the midwest.

This year's circuit included Ohio, Indiana, Illinois, Michigan and New York.

Margie is a teacher in the Romulus Community School District and a harpist. Her husband, Donald, also shows Zephyr Arabians as well as their first son, Donald Geoff, 5, who earned two award ribbons in shows this summer.

Bring on the Lions

Ford cheers blackout ban

An area legislator today hailed the passage of a bill to ban professional sports television blackouts.

The bill, passed by an overwhelming vote of 366-37 in the Michigan House of Representatives, will prohibit television blackouts in the home team's area if all seats are sold out three days prior to a game.

Congressman William D-Ford (D-Michigan) said:

"The passage of this bill will make it possible for thousands of Lions fans on a workingman's budget, to watch games they would have otherwise been unable to see. At the same time, it will not hamper the legitimate interest of professional sports because it will apply to sell-out games."

Ford has been a longtime supporter of this legislation. Since 1971 he also has been advocating legislation to ban professional sports from closed circuit television.

"Professional sports have prospered tremendously during the past decade," Ford said. And they will continue to do so. The legislation we passed merely assures that the people who have helped professional sports prosper - the sports fans - will have the opportunity to watch their favorite teams play on television when no tickets are available."

Ford said that the new legislation will be effective for three years.

The three-year period represented a compromise between the House version, which originally called for permanent ban, and the Senate version, which provided for a one-year experimental period.

After the compromise was agreed to and passed by the House, the bill was promptly adopted by the Senate and sent to the White House for the President's signature.

Car experts warn about tire blowout

A tire blowout can be an unnerving experience even to a seasoned driver.

Do not panic and apply the brakes or steer sharply should this occur, warn auto experts. Such actions could throw the car into a spin.

Keep a firm grip on the steering wheel and allow the car to lose speed on its own, nudging it gently toward the highway shoulder as it slows down.

WHEN PUTTING on the spare, make sure the lug nuts are installed correctly. All lug nuts must be centered in their tapered bolt holes or a situation called radial runout will occur. This means the wheel will hop or vibrate when the car is moving.

Another problem that can develop is called lateral runout which shows up as a wobble or shimmy in the wheel. This is caused by completely tightening one lug nut first before seating the others.

The proper method of replacing the lug nuts is to center them all and tighten them alternately and progressively in a clockwise direction.
on the lugs to prevent seizure and possible stripping of lug threads.

IF NO OTHER OIL is available, use the crankcase dipstick to dribble a few drops on the threads.

For safety when changing a wheel, set the parking brake securely and put an automatic transmission in "Park" and a manual transmission in any gear.

$975,000.00 - 1999 to 2003, inclusive.

PRIOR REDEMPTION: Bonds maturing in the years 1974 to 1987, inclusive, shall not be subject to redemption prior to maturity. Bonds maturing in the years 1988 to 2003, inclusive, shall be subject to redemption prior to maturity, at the option of the School District, in inverse numerical order, on any interest payment date on or after May 1, 1987. Bonds called for redemption shall be redeemed at par and accrued interest to the date fixed for redemption, plus a premium expressed in percentage of par value of 3 per cent of the principal amount of each bond redeemed if redeemed prior to May 1, 1991; 2 per cent if redeemed on or after May 1, 1991, but prior to May 1, 1996; 1 per cent if redeemed on or after May 1, 1996, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan, which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds thirty (30) days notice shall be given by mail to the registered holder at the registered address. No further interest payable on bonds called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided the School District has money available for such redemption with the paying agent.

INTEREST RATE AND BIDDING DETAILS: The bonds shall bear interest at a rate or rates not exceeding 6 per cent per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or one-twentieth of 1 per cent, or both. The interest on any one bond shall be at one rate only, all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. None of said bonds shall bear interest at a rate per annum which is less than 50 per cent of the rate borne by any other bond. No proposal for the purchase of less than all of the bonds or at a price less than 100 per cent of their par value will be considered.

PAYING AGENT: Both principal and interest shall be payable at a bank or trust company located in Michigan qualified to act as paying agent under State or United States law, to be designated by the original purchaser of the bonds, who may also designate a co-paying agent, which may be located outside of Michigan, qualified to act as paying agent under the law of the State in which located or of the United States, both of which shall be subject to approval of the undersigned.

PURPOSE AND SECURITY: The bonds were authorized at an election held June 11, 1973, for school building and site purposes. The bonds will pledge the full faith and credit of the School District for payment of the principal and interest thereon, and will be payable from ad valorem taxes, which may be levied without limitation as to rate or amount.

STATE QUALIFICATION: The bonds have been fully qualified pursuant to Act 108, Public Acts of Michigan, 1961, as amended, enacted pursuant to Section 16, Article IX of the Michigan Constitution of 1963. Under the terms of said constitutional and statutory provisions, if for any reason the School District will be or is unable to pay the principal and interest on the bonds when due, then the School District shall borrow and the State shall lend to it an amount sufficient to enable the School District to make the payment.

GOOD FAITH: A certified or cashier's check in the amount of $230,000.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bid, the total dollar value of all interest on the bonds from November 1, 1973, to their maturity and deducting therefrom any premium.

LEGAL OPINION: Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof.

DELIVERY OF BONDS: The school district will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at a place to be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Standard Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the school district shall promptly return the good faith deposit. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

FINANCIAL CONSULTANT: Further information with respect to said bonds may be obtained from American Securities Corporation, Kenower, MacArthur Division, 1824 Ford Building, Detroit, Michigan 48226, Telephone 1-313-962-3262.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES containing the bids should be plainly marked "Proposal for School Bonds."

Ronald Christensen
Secretary, Board of Education

APPROVED: Sep. 11, 1973
STATE OF MICHIGAN
MUNICIPAL FINANCE COMMISSION

Drive leaders aim for $34 million

A record-setting $34 million challenge was accepted by Torch Drive leaders as the United Foundation (UF) goal for 1973.

It is the highest goal in the Torch Drive's quarter-century of existence and exceeds the 1972 goal by two million dollars. Last year, 102.4 per cent of the goal was raised.

UF Board Chairman Allen W. Merrell said the organization has a history of meeting its goal and cited three factors that make the success of the Torch Drive possible.

ONE FACTOR he said, "is the generosity of the citizens of the greater Detroit community. Another is the outstanding Torch Drive campaign teams which the UF has been able to field year after year and which are an indication of strong community support."

The third, Merrell added, is the "thoroughly competent manner by which UF determines its annual goal."

"This realistic process, headed by a 21-member Goal and Allocations Committee, results in very challenging goals but nonetheless, goals and allocations in which the campaign team and eventually the contributors have expressed their confidence for a quarter of a century," he said.

General Campaign Chairman for 1973, Byron J. Nichols, Chrysler Corporation vice president, accepted the goal on behalf of the 100,000 volunteer workers in the campaign.

"THIS CAMPAIGN organization has been building for many months," Nichols said.

"Our major organizational theme is 'Involvement,' "which I believe fits in very well with the campaign poster theme of 'All it takes is for all to give,' and 'The cost of loving has gone up, too.' "

Nichols said the 1973 Torchlighters, group of young people who symbolize the work done by a few of the more than 140 agencies receiving Torch Drive funds and who light the Torch on Oct. 15, are: Carolyn Thorpe, a 4-year-old Detroiter, a patient at the Detroit Orthopaedic Clinic; 8-year-old Nick Migan, a Cub Scout in Pack 129, is from the east side of Detroit; Michelle Shagena, 16, underwent life-saving surgery with the help of the Kidney Foundation of Michigan 2 years ago when she received a kidney from her older brother; and Roger Bunton and Tyrone Johnson of Mt. Clemens are from the Big Brothers of Macomb County.

Nichols said the goal is 6.3 per cent higher than last year's, meaning that the chapter units of the campaign which traditionally raise more than 90 per cent of all Torch Drive funds, have to raise $1.4 million new dollars.

THE 25TH ANNUAL Torch Drive is scheduled to begin Oct. 16 and end Nov. 8.

The UF board also approved a total of $34,500,000 in allocations, for 1974, the $500,000 difference from the goal amount to be provided from 1972 campaign overage, if any, or from reserves. The American Red Cross was granted a 2.3 per cent increase over last year's allocation for a total of $3,171,919. Michigan Cancer Foundation's allocation was approved at $1,077,500, a 4.4 per cent increase over last year's budget allowance. An allocation of $265,000 was approved for the Rehabilitation Institute, 6 per cent more than last year, and the United Way of Michigan (formerly the Michigan United Fund) was approved for an allocation of $3,372,913 which will be distributed among its 25 agencies.

United Community Services, the main UF budgeting federation for 109 agencies in the tri-county area, was granted an increase of 6 per cent, totalling $22,538,718.

In addition, the board approved raising $2,500,000 for the Urban Progress Fund for 1974 support of New Detroit, Inc. Some 200 corporations and foundations are asked to contribute; no individuals are asked to give to the Urban Progress Fund.

David K. Easlick, new president of Michigan Bell, was elected to the board by unanimous vote.

VAN BUREN TOWNSHIP NOTICE BOARD OF ZONING APPEALS

Notice is hereby given that Van Buren Township Board of Zoning Appeals will hold its regular meeting to discuss the following appeals, variances or special approvals as listed in the official agenda, which is printed below:

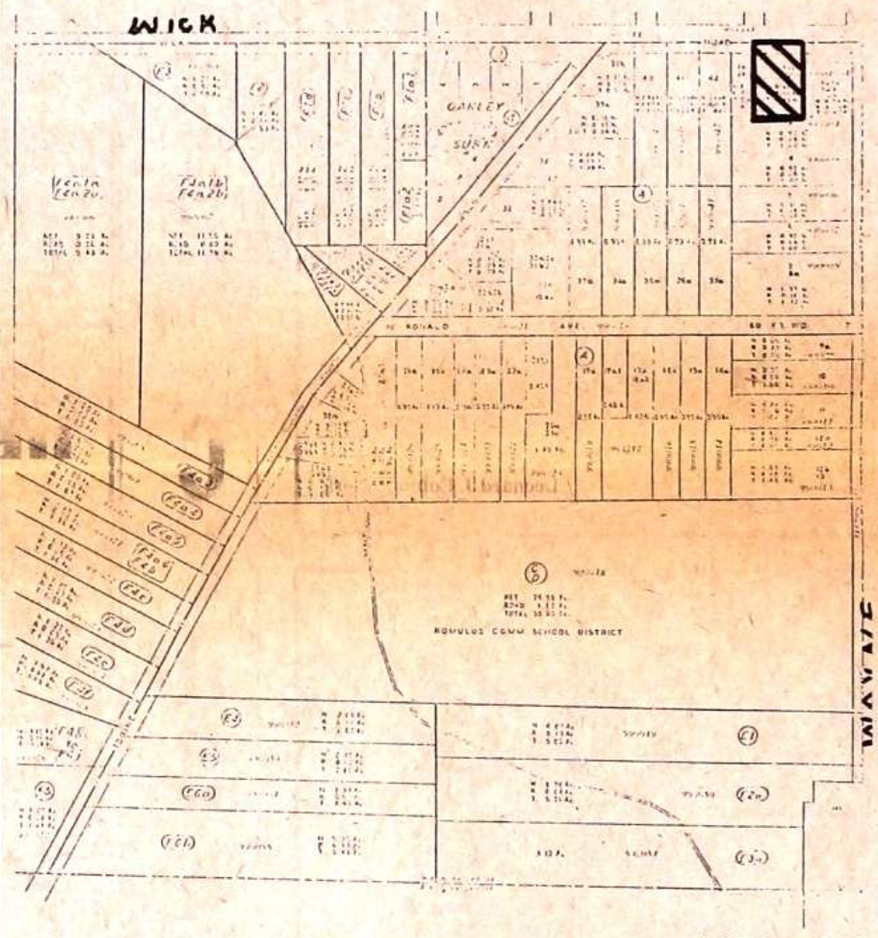
Pat Culllin, Clerk
Van Buren Township
Charles Walls, Chairman
Board of Zoning Appeals

CITY OF ROMULUS NOTICE OF PUBLIC HEARING

Notice is hereby given, that the Romulus PLANNING COMMISSION will hold a Public Hearing on October 15, 1973, at 7:00 p.m. in the Romulus City Council Chambers, 11111 Wayne Road, Romulus, Michigan on the following proposed Amendment to the Zoning Map:

FROM C-2 to R1B

Described as beginning 186.5 ft. from the N.E. corner of Section 17, T3S R9E, thence S. 227.93 ft., thence W. 144.35 ft., thence N. 228.41 ft., thence S. 89D 48M 20 Sec E. 144.35 ft. Pob. 0.80 acres. Commonly known as approximately 186 feet west of Wayne Road on the south side of Wick Road.



Leonard J. Folmar, Clerk
City of Romulus

9-26, 10-10

Volunteers are sought for Peace Corps, Vista

Area residents who think they are too old to join the Peace Corps should have a talk with Brian Schaffer, he might change their mind.

Schaffer, a 41-year-old bricklayer, served in the Peace Corps for two years in Ecuador and is trying to convince other people his age to do the same.

Schaffer will spearhead a special recruitment campaign for Peace Corps and Vista in Western Wayne County.

"MOST PEOPLE think the Peace Corps is just for kids fresh out of college," Schaffer said. "But in reality we need people of all ages, especially those in their 40s, 50s and 60s."

The Peace Corps and Vista have immediate job openings for teachers, skilled tradesmen, mechanics, nurses, business people, construction workers and heavy equipment operators here in the United States and 57-overseas countries.

Schaffer and his recruitment team have their headquarters at the Federal Building in Detroit and are using a special telephone "hotline" 226-7928 for anyone interested in Peace Corps and Vista programs.

The Peace Corps is a two year program in overseas countries like Costa Rica, Brazil, the Ivory Coast, Jamaica, Kenya, the Fiji Islands and Eastern Caribbean while Vista volunteers work for one year here within the United States.

IN BOTH PROGRAMS volunteers have all housing, living, medical-dental and transportation expenses paid for as well as a readjustment allowance when their service is completed.

"We don't expect people to pay expenses out of their own pockets," Schaffer said. "The money that Peace Corps and Vista programs provide allows the volunteer to live at a very comfortable level as well as getting a chance to visit a foreign country and put their skills to use where they really count."

As a bricklayer Schaffer helped build hospital clinics, schools and low cost housing. During that time he also taught bricklaying to young men of Ecuador who were able to benefit their own country.

According to Schaffer: "No one is too old for Vista or the Peace Corps. Our oldest volunteer is an Ohio woman who's 73-years-old, and teaching school in Kenya, Africa."

Information on Peace Corps and Vista programs can be obtained by calling 226-7928.

CITY OF BELLEVILLE COUNCIL MINUTES

Regular Meeting September 17, 1973

A regular meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan, was called to order by Mayor Smith, with Councilmen Palmer, Hamlin, Boone and Amerman.

Also present: Don Trim and Fred Slaviero of Wade, Trim & Associates, Inc. City Engineers, Henry Graper Urban Renewal Director, B. Ward Smith City Attorney, Burma Wertz, A. F. Richardson, Anthony Talaga, Mildred Artley, Marie Clayton, Virgil Lockrow, Mr. Brigman, David Riggs, Raymond Memering, Russell Price, Robert Schank, Mrs. Allard.

Motion by Boone, seconded by Palmer, that the minutes of the regular meeting held September 4, 1973 be approved.

Carried: Unanimously.

Motion by Palmer, seconded by Boone, that the City Planning Commission minutes be approved and placed on file.

Carried: Unanimously.

Motion by Hamlin, seconded by Palmer, that the Police Activities report for August 1973, be approved and placed on file.

Carried: Unanimously.

Motion by Boone, seconded by Amerman, that the City Treasurers report for the month of August 1973 be accepted.

Carried: Unanimously.

Motion by Palmer, seconded by Hamlin, that the bills presented for payment, be paid.

Carried Unanimously.

8:00 P.M. time and place set for the opening of sealed bids on the sale of a 1966 Dodge City Pick-up truck.

Bid received from Al Arndt for $25.00.

Motion by Boone, seconded by Hamlin, that the bid of Al Arndt be accepted, for the 1966 Dodge pick-up

Carried: Unanimously.

Michigan Bell Telephone Co. permit 2669 was received.

Motion by Amerman, seconded by Boone, that the permit of Michigan Bell Telephone Co. No. 2669 be referred to the City Engineers for their study and recommendation.

Carried: Unanimously.

Leonard Gasieski, of 185 Potter Drive, presented the City Council with a proposed property split.

Motion by Boone, seconded by Hamlin, that the Gasieski Property Split be referred to the City Attorney for his study and recommendation.

Carried: Unanimously.

Discussion was held regarding the property on Church Street for demolition. Wrecking permits No. 195 and 196 have been issued and they will proceed with the demolition.

Motion by Boone, seconded by Amerman, that the Clerk be instructed to advertise for sealed bids on the resurfacing of Liberty St. from 3rd St. North to existing asphalt, overlay with adjustment of all utility castings. Also Fifth St. from Main St. East to Liberty Street, with adjustments of all utility castings. Remove and replace 1 ' butt joint on 3rd Street at Main.

Bids to be opened October 1, 1973 at 8:00 p.m. Specification available at the office of the City Clerk.

Carried: Unanimously.

Discussion ensued regarding Victory Park. It was referred to the City Attorney for his study and recommendations for the next council meeting on Alcoholic beverages prohibited and an early closing time.

Mr. Brigman presented the City Council with a proposed drawing on building and construction at 106 South St. Belleville, Michigan.

Motion by Palmer, seconded by Boone, that the plans be referred to the City Building Inspector for the construction, and that the request for permission to cross the City Sidewalk for entrance be granted.

Carried: Unanimously.

Upon Motion by Amerman, seconded by Boone, the following Ordinance was offered:

City of Belleville
ORDINANCE NO. 65-86-Z

AN ORDINANCE AMENDING ORDINANCE NO. 65-86, BEING AN ORDINANCE ENACTED UNDER ACT 207, PUBLIC ACTS OF 1921, AS AMENDED, GOVERNING THE INCORPORATED PORTIONS OF THE CITY OF BELLEVILLE, WAYNE COUNTY, MICHIGAN, TO REGULATE AND RESTRICT THE LOCATION AND USE OF BUILDINGS, STRUCTURES, AND LAND FOR TRADE, INDUSTRY, RESIDENCE AND FOR PUBLIC AND SEMIPUBLIC OR OTHER SPECIFIED USES; AND TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS AND OTHER STRUCTURES: TO REGULATE AND TO DETERMINE THE SIZE OF YARDS, COURTS AND OPEN SPACES: TO REGULATE AND LIMIT THE DENSITY OF POPULATION: AND FOR SAID PURPOSES TO DIVIDE THE MUNICIPALITY INTO DISTRICTS AND ESTABLISHING THE BOUNDARIES THEREOF: PROVIDING FOR CHANGES IN THE REGULATIONS, RESTRICTIONS AND BOUNDARIES OF SUCH DISTRICTS: DEFINING CERTAIN TERMS USED HEREIN: PROVIDING FOR ENFORCEMENT: ESTABLISHING A BOARD OF APPEALS, AND IMPOSING PENALTIES FOR THE VIOLATION OF THIS ORDINANCE.

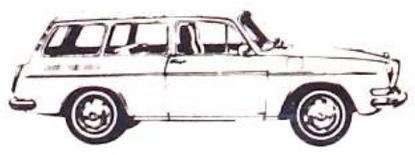
DATSUN SAVES
About a gallon of gasoline a day
With the demand for fuel rising faster than the supply, here's one way to help ease our energy crisis. According to the latest U.S. Bureau of Highways figures, the national average for gas mileage is about 13.5 miles per gallon. The new Datsun 1200 gets around 30 miles per gallon or over twice the national average. The average car in the U.S. is driven just over 10,000 miles a year, so you can save about a gallon of gas every day by driving a 1200. With gasoline prices going up, it's a considerable saving of another important resource: your money. Drive a Datsun, then decide.

Serbay Datsun
34 E. Mich., Ypsilanti
482-8850

Maybe it's time to do something about high gasoline prices.



Like buy a car that doesn't use much.
The Volkswagen holds only about 5 pints (not quarts) of oil and 10.4 gallons of gas, full up. You almost never need to add oil and you can expect to get over 20 miles per gallon of regular.
If you're upset about soaring gas and oil prices and haven't been able to get any satisfaction...try your Volkswagen dealer.

SELLING? "WE SPECIALIZE IN SERVICE" BUYING?

IT'S TIME TO LIGHT THE FIREPLACE on cool evenings and this attractive brick ranch has 2 fireplaces! (One in the family room - one in the basmt.) Three bedrooms, 2 car garage and corner lot. $27,500.

AUTUMN is a beautiful time of year and beautiful is the word to describe this 3 bedrm ranch with family room and fireplace. A covered patio and gas grill for the rest of warm weather. Attached garage. $37,500.

BRISK MORNINGS will be cozy in this brick ranch that has a fireplace in the family room. 3 bedrms, 1¾ baths and attached garage. Many extras included! $42,600.

INDIAN SUMMER means you can still enjoy the pretty yard before cold weather sets in. Winter will be a joy, too, from inside this cozy 4 bedrm home. 2 car gar. $26,500.

ALL 4 SEASONS will be enjoyed from this darling city ranch. There are 2 or 3 bedrooms and every room is carpeted. Soon to have paved streets. Immaculate! $22,500.

GOLDEN ROD is in bloom in the country. If you take a ride to view fall colors - go past this brick cape cod and your next ride will be to see inside this 4 bedrm home. $42,900.

HUNTING SEASON is in and living in this 2 family house in the country will interest the husband because he will be closer to open fields, wooded areas, etc.-but the greatest advantage is having help on the mortgage payments from the upstairs apt. Each apt has separate basmt. $36,000.

FOOTBALL SEASON is no problem for the wife of this brick ranch because the living room is so large that it won't be all cluttered up while the games are on TV. Also to be enjoyed are the 3 bedrms, large kit and dining el, att. gar, pool, fenced yard and private street location. $41,000.

AUTUMN LEAVES are pretty and the acre lot that accompanies this brick home has plenty of trees. The living room has a fireplace, there are 2 bedrms, dining room and cheery kitchen. 2 car garage. $36,400.

FALL MEANS COOLER WEATHER — pretty colors, football games - throughts of holidays - and when you live in this beautiful 4 bedrm home you will want to entertain friends and be able to do it graciously! Dining room, den, full finished basmt, 2 fireplaces, att. gar. Corner lot.

SEASONS CHANGE but your feelings about this home won't change once you see inside! This is a brand new home and has 3 bedrms, 1½ baths, fireplace in the family room, 2 car att. garage and a corner location near town. $42,900.

RAKING LEAVES is fun for the children and when you live at this address there will be leaves, as trees surround the 4 bedrm alum ranch with family room. Situated on 2 acres! $36,900.

FROST will soon adorn the ground but next spring you can plant a big garden if you own this alum 2 family home on 5 acres in Romulus. Not only that - you can use the rent from the upstairs apt for the payment. $33,500.

FALL is the perfect time for evening strolls. It's easy from this city home because new sidewalks will soon be in! There are 3 bedrms, basmt. and garage. $24.500.

EVENING WINTER will be a happy time from this cozy 1½ story home that has a very attractive dining room w-bay window, big living room, comb utility - family room, 1¾ baths and 2 big bedrooms. Setting on a corner w-over 4 acres that can have extra building sites!

HARVEST TIME and this charming 2 bedrm house has grapes, strawberries and peach tree besides plenty of garden area on the 2 acres. 2 car garage. $32,000.

FALL FLOWERS will put the finishing touches on this furnished 4 bedroom home close to schools and I-94. Imagine only needing a bouquet to set up housekeeping! $26,500.

HOLIDAYS will be fun when you live here because the kit and living room are both large and there is a family room, 3 bedrooms and nursery. 2 car garage. Fast occupancy. $26,500.

COOLER WEATHER is enjoyable and so is this 3 bedrm home with full basmt as it is immaculate, well cared for and just right for a small family. There's a 2 car gar and 80x165 lot. $27,500.

COLOR TOURS won't be necessary when you buy this 3 bedrm home because the area has many pretty trees for your enjoyment. There is a 2½ car garage and fenced yard. $26,900.

THIS AUTUMN you will still enjoy the yard, all winter you will appreciate the 3 bedrm home and next summer the lake will give you pleasure! Att. garage. $36,500.

THE PERFECT SEASON to plan ahead for spring projects! Why not do your planning from this nice 2 bedrm home in the country. 2 car gar. $24,900.
